EXTRACT FROM DEPARTMENT OF COMMERCE AND LABOR CIRCULAR No. 43.

SPECIAL INSTRUCTIONS FOR FILLING ALIEN MANIFEST.

The information returned on the manifest forms (Nos. 500 A and 500 B, new numbers 500, 500 A, and 500 B), so far as it relates to all arrivals in coming from a transit and foreign, should be made in accordance with the following classification. The number of the column on the manifest is given in these special instructions and is followed, in parentheses, in all cases up to and including column 16, by a descriptive title indicating briefly the subject to which it relates.

Column 3 (Age).—The return of age in this column should be expressed in years, or months, the latter applying only to those under 1 year of age.

Column 4 (Sex).—The entry in column 4 should be either M (male) or F (female).

Column 5 (Married or single).—The entry in column 5 should be either M (married), S (single), W (or widowed), or D (divorced).

Column 6 (Calling or occupation).—The entry in column 6 should be the trade or, if only as possible the occupation, trade, or profession of the alien arriving. Clerk, engineer, stationary engineer, locomotive engineer, mining engineer, civil engineer, mining engineer, steel polisher, iron molder, wood turner, etc., and not laborer, engineer, polisher, molder, farmer, or other indefinite designations.

A distinction should be made between *farm laborers* and *farmers*, as will appear from the forms of the entry sheets, as follows:

A farmer is one who operates a farm, either for himself or others.

A farm laborer is one who works on a farm for the man who operates it.

Steamship companies should make this distinction clear to the manifests and corrections should be made, if necessary, by inspectors and other officials during the personal examination of alien arrivals.

Column 7 (Able to read and write).—Column 7 is subdivided and the entries therein should be either Yes—Yes (can read and write), No—No (can neither read nor write), Yes—No (can read but not write).

Column 8 (Nationality).—Column 8 should be used to show the country of which immigrant is a citizen or subject and not country of last permanent residence.

Column 9 (Race or people).—The entry in column 9 should show the race of people as given in list on reverse side of alien manifest.

Special attention should be paid to the distinction between race and nationality, and manifests should be carefully revised by inspectors and registry clerks in this regard. For instance, "France" appearing on a manifest does not necessarily mean "French" by race or people, and similarly, "French" appearing on a manifest does not necessarily mean "France" by nationality. An alien who is Irish, German, or Hebrew by race might properly come under the heading "United Kingdom" or any other country by nationality. In this connection the following distinctions should be specially observed:

CUBAN.

The term "Cuban" refers to the Cuban people (not Negroes).

WEST INDIAN.

"West Indian" refers to the people of all West Indies other than Cuba, not Negroes.

SPANISH AMERICAN.

"Spanish American" refers to the people of Central and South America of Spanish descent.

AFRICAN (BLACK).

"African (black)" refers to the African Negro who is coming from Cuba or other islands of the West Indies, North or South America, Europe or Africa. Any alien whose appearance indicates an admixture of negro blood should be classified under this heading.

ITALIAN (NORTH).

The people who are native to the basin of the River Po in northern Italy (i. e., comprising the provinces of Piedmont, Lombardy, Venetia and Emelia) and the Italian-speaking districts of Switzerland, Austria-Hungary, or any other country should be classed as "Italian (north)." Most of these people speak a Gallic dialect of the Italian language.

ITALIAN (SOUTH).

The people who are native to that portion of Italy south of the basin of the River Po, i. e., the provinces of Liguria, Tuscany, Marches, Umbria, Latium, Abruzzo, Molise, Campania, Apulia, Basilicata, Calabria, Sicily, and Sardinia, and their descendants, should be classed as "Italian (south)."

Column 10 (Last residence).—The entry in column 10 should show the country, and city or town, of last permanent residence, instead of the province, city, or town.

Column 11 (Final destination).—The entry in column 11 should show definitely the place, city or town, of final destination.

Column 12 (Whether having a ticket to such final destination).—The entry in column 12 should be either Yes (ticket) or No (no ticket).

Column 13 (By whom was passage paid).—The entry in column 13 should show definitely by whom passage was paid, as self, husband, father, brother, or other relative, friend, steamship company, etc.

Column 14 (If in possession of $50, and if less, how much).—The entry in column 14 should give in each case (individual or family) the exact amount of money shown.

Money brought by the head of a family should not be divided among the several members of the family.

Column 15 (Whether ever before in the United States, and if so, when and where).—The entries in column 15 should show whether or not (Yes or No) in the United States before, and if so, the year (or period of years) and place, as 1901 W. Philadelphia.

Column 16 (Going to join relative or friend, and if so, what relative or friend).—The entry in column 16 should show whether going to join either a relative or friend, and if so, what relative or friend, with name and complete address.

Columns 17 to 21.—The answers in these columns are subject to revision by any inspection officer in the examination of immigrants.

EXTRACT FROM DEPARTMENT OF COMMERCE AND LABOR CIRCULAR No. 43.

SPECIAL INSTRUCTIONS FOR FILLING OUT MANIFESTS.

The information required on the manifest (Forms [illegible] and [illegible] and [illegible] and [illegible] and tourists), should be made in accordance with the following instructions. The number of the column on the manifest is given in these special instructions and inclosed, in parentheses, in all cases up to and including column [illegible], and also in the title indicating briefly the subject to which it relates.

Column 4 (Age).—The entry in column 4 should be expressed in years or months, the latter applying only to those under 1 year of age.

Column 5 (Sex).—The entry in column 5 should be either M (male) or F (female).

Column 6 (Married or single).—The entry in column 6 should be either M (married) or S (single). Widowed or divorced persons should be returned as married.

Column 7 (Calling or occupation).—The entry in column 7 should show the calling or occupation, if any, at which each alien has been employed during the past year, or since last arrival, if he has been in the United States during the year. Persons having no occupation, as housewives, children, etc., should be returned as "none." Laborers should not be returned as "laborer" or "farmer," but should be described as "agricultural laborer," "coal miner," "iron miner," "railroad laborer," "general laborer," etc., according to the best knowledge and belief of the master or other officer making the list. Persons having a special trade should be returned as "blacksmith," "carpenter," "engineer," "mason," "miller," "shoemaker," "tailor," "tinner," or other definite description. Such terms as "mechanic," "manufacturer," "merchant," "clerk," "gentleman," "lady," etc., are not sufficiently definite.

A distinction should be made between farmers and laborers working on farms, and the amount of money shown, as follows:

A farmer is one who operates a farm either for himself or as a tenant.

A farm laborer is one who works on a farm for the man who owns or rents it.

Steamship companies should use this distinction in the manifests of immigrants, so that inspectors and registry clerks may not be misled, and so that proper examination of alien arrivals may be made, if necessary.

Column 8 (Able to read and write).—Column 8 is subdivided into two parts, and should be either Yes—Yes or No—No (can neither read nor write), Yes—No (can read but not write).

Column 9 (Nationality).—U. S. should be construed to mean citizen of the United States, which immigrant is a citizen of.

Column 9 (Race or people).—The entry in column 9 should show the race or people to which each immigrant belongs, the races or peoples to be given in list on reverse side of this sheet.

Special attention should be given to the entries in column 9, as the manifests should be carefully scrutinized by inspectors and registry clerks. For instance, "France" appearing on a manifest does not necessarily indicate that the race or people, and similarly, "France" appearing on a manifest does not necessarily indicate that the nationality of the alien who is Irish, German, or Hebrew, by nationality might properly come under the nationality of United Kingdom of any other country. In this connection the following distinctions should be specially observed:

CUBAN.

The term "Cuban" refers to the Cuban people not Negroes.

WEST INDIAN.

"West Indian" refers to the people of the West Indies other than Cuban and Negroes.

SPANISH-AMERICAN.

"Spanish American" refers to the people of Central and South America, Spain, etc.

AFRICAN (BLACK).

African (black) refers to the African Negro, whether coming from Cuba, islands of the West Indies, North or South America, Europe or Africa. This term applies to all members of the race. Mixed blood should be classified under this heading.

ARMENIAN.

The people who are native to the mountainous Region in eastern Asia Minor, between the Black Sea and the Caspian Sea, and the Valleys of the Euphrates and Tigris Rivers, and who have been driven from their homes by the Turks.

HEBREW.

The people who are native to Palestine, but who have been scattered throughout the countries of the world. Hebrew is a religious rather than a racial designation, as Hebrews are found in all countries, and belong to all races.

ITALIAN (NORTH AND SOUTH).

Last residence.—The entry in column [illegible] should show the country and city or town of last permanent residence. Use the name by which the place is commonly known to the people of the United States.

Final destination.—The entry in column [illegible] should show the name of the city or town of final destination.

Whether having a ticket to such destination.—The entry in column [illegible] should be either Yes (ticket) or No (no ticket).

Whether paid passage.—The entry in column [illegible] should show whether passage was paid by whom passage was paid as self, husband, father, brother, or other friend, steamship company, etc.

Whether in possession of $50 and if not, how much.—The entry in column [illegible] should give in each case individual or family the exact amount of money shown.

Money brought by the head of a family should not be divided among the members of the family.

Whether ever before in the United States, and if so, when and where.—The entry in column [illegible] should show whether or not Yes or No to the United States before, and if so, the year or period of years and place, as 1894-97, Philadelphia.

Going to join relative or friend, and if so, what relative or friend.—The entry in column [illegible] should show whether going to join either a relative or friend, and what relative or friend, with name and complete address.

Answers to questions.—The answers in these columns are subject to revision by the inspecting officer in the examination of immigrants.

EXTRACT FROM DEPARTMENT OF COMMERCE AND LABOR CIRCULAR No. 43.

GENERAL INSTRUCTIONS FOR FILLING ALIEN MANIFESTS.

The information required on the manifest [Forms 1500, 1500 A, and 1500 B (new numbers 101, 102 A, and 102 B)], so far as it relates to alien arrivals (including those in transit and steerage), should be made in accordance with the following classifications. The number of the column on the manifest is given in these special instructions and is followed, in parentheses, in all cases up to and including column 16, by a descriptive title indicating briefly the subject to which it relates.

Column 1 (Age).—The return of age in column 1 should be expressed in years or months, the latter applying only to those under 1 year of age.

Column 2 (Sex).—The entry in column 2 should be either M (male) or F (female).

Column 3 (Married or single).—The entry in column 3 should be either M (married), S (single), Wd (widowed), or D (divorced).

Column 4 (Calling or occupation).—The entry in column 4 should describe as accurately as possible the occupation, trade, or profession of each alien arrival, as for example: Civil engineer, stationary engineer, locomotive engineer, mining engineer, lawyer, professor, shoemaker, tailor, machinist, wood turner, etc., and not simply as engineer, laborer, mechanic, farmer, or other indefinite designation.

A distinction should be made between *farmers* and *farm laborers*, regardless of the amount of money therein, as follows:

A farmer is one who operates a farm, either for himself or others.

A farm laborer is one who works on a farm for the man who operates it.

Knowledge acquired should make this distinction on the manifests and expressions should be made, if necessary, by inspectors and registry clerks during the personal examination of alien arrivals.

Column 5 (Able to read and write).—Column 5 is subdivided and the entries therein should be either Yes—Yes (can read and write), No—No (can neither read nor write), or Yes—No (can read but not write).

Column 6 (Nationality).—Column 6 should be reserved to mean the country of which immigrant is a citizen or subject and not country of last (previous) residence.

Column 7 (Race or people).—The entry in column 7 should show the race or people as given in list on reverse side of alien manifest.

Special attention should be paid to the distinction between race and nationality, and entries should be carefully revised by inspectors and registry clerks in this regard. For instance, "French" appearing on a manifest does not necessarily mean "French" by race or people, and similarly, "French" appearing on a manifest does not necessarily mean "France" by nationality. An alien who is Irish, German, or Hebrew by race might properly come under the heading of United Kingdom or any other country by nationality. In this connection the following distinctions should be specially observed:

CUBAN.

The term "Cuban" refers to the Cuban people (not Negroes).

WEST INDIAN.

"West Indian" refers to the people of the West Indies other than Cuba (not Negroes).

SPANISH-AMERICAN.

"Spanish-American" refers to the people of Central and South America of Spanish descent.

AFRICAN (BLACK).

"African (black)" refers to the African Negro, whether exotique from Cuba or other islands of the West Indies, North or South America, Europe or Africa. Any alien who on appearance indicates an admixture of negro blood should be classified under this heading.

ITALIAN (NORTH).

The people who are native to the basin of the River Po in northern Italy; i. e., comprehends of Piedmont, Lombardy, Venetia, and Emilia and their descendants, whether residing in Italy, Switzerland, Austria-Hungary, or any other country should be classed as "Italian (north)." Most of these people speak a Gallic dialect of the Italian language.

ITALIAN (SOUTH).

The people who are native to that portion of Italy south of the basin of the River Po (i. e., comprehends of Liguria, Tuscany, Marches, Umbria, Latium, Abruzzi, Molise, Campania, Apulia, Basilicata, Calabria, Sicily, and Sardinia) and their descendants should be classed as "Italian (south)."

Column 10 (Last residence).—The entry in column 10 should show the country, and city or town of last permanent residence, instead of the provisional city or town.

Column 11 (Final destination).—The entry in column 11 should show definitely the place (city or town) of final destination.

Column 12 (Whether having a ticket to such final destination).—The entry in column 12 should be either Yes (ticket) or No (no ticket).

Column 13 (By whom sent passage paid).—The entry in column 13 should show definitely by whom passage was paid, as self, husband, father, brother, or other relative; friend; steamship company, etc.

Column 14 (Whether in possession of $50, and if less, how much).—The entry in column 14 should give in each case (individual or family) the exact amount of money shown.

Money brought by the head of a family should not be divided among the several members of the family.

Column 15 (Whether ever before in the United States; and if so, when and where).—The entries in column 15 should show whether or not (Yes or No) in the United States before; and if so, the year (or period of years) and place; as, 1900-07, Philadelphia.

Column 16 (Going to join relative or friend, and if so, what relative or friend).—The entry in column 16 should show whether going to join either a relative or friend; and if so, what relative or friend, with name and complete address.

Columns 17 to 32.—The answers in these columns are subject to revision by any inspecting officer in the consideration of immigrants.

EXTRACT FROM DEPARTMENT OF COMMERCE AND LABOR CIRCULAR No. 43.

SPECIAL INSTRUCTIONS FOR FILLING OUT MANIFESTS.

The information returned on the manifest (Forms 1500, 1500 A, and 1500 B (new forms 500, 500 A, and 500 B)), so far as it relates to alien arrivals (including those in transit and inspectors), should be made in accordance with the following classifications. The number of the column on the manifest is given in these special instructions and is followed, in parentheses, in all cases up to and including column 16, by a descriptive title, indicating briefly the subject to which it relates.

Column 2 (Age).—The return of age in column 2 should be expressed in years on number, the latter applying only to those under 1 year of age.

Column 4 (Sex).—The entry in column 4 should be either M (male) or F (female).

Column 5 (Married or single).—The entry in column 5 should be either M (married), S (single), W'd (widowed), or D (divorced).

Column 6 (Calling or occupation).—The entry in column 6 should describe as specifically as possible the occupation, trade, or profession of each alien arrival, as for example: Civil engineer, stationary engineer, locomotive engineer, mining engineer (gives primitive), and laborer, farm laborer, wood turner, etc., and not simply as engineer, laborer, tradesman, or other indefinite designations.

A distinction should be made between *farmers* and *farm laborers*, regardless of the amount of money shown, as follows:

A farmer is one who operates a farm, either for himself or others.

A farm laborer is one who works on a farm for the man who operates it.

Scrupulous exactness should make this distinction on the manifests and correctional consideration of alien arrivals.

should be made, if necessary, by inspectors and registry clerks during the personal

Column 7 (Able to read and write).—Column 7 is subdivided and the entries therein should be either Yes—Yes (can read and write). No—No (can neither read nor write), or Yes—No (can read but not write).

Column 8 (Nationality).—Column 8 should be construed to mean the country of which a person is a citizen or subject and not country of last permanent residence.

Column 9 (Race or people).—The entry in column 9 should show the race or people as given in list on reverse side of alien manifest.

Special attention should be paid to the distinction between race and nationality, and careful attention should be carefully revised by inspectors and registry clerks in this regard. For instance, "Finger" appearing on a manifest does not necessarily mean "French" by race or people, and similarly, "French" appearing on a manifest does not necessarily mean "Finger" by nationality. An alien who is Irish, German, or Hebrew by race might properly appear under the heading of United Kingdom or any other country by nationality. In this connection the following distinctions should be carefully observed:

CUBAN.

The term "Cuban" refers to the Cuban people (not Negroes).

WEST INDIAN.

"West Indian" refers to the people of the West Indies other than Cuba (not Negroes).

SPANISH-AMERICAN.

"Spanish-American" refers to the people of Central and South America of Spanish descent.

AFRICAN (BLACK).

"African (black)" refers to the African Negro, whether coming from Cuba or other islands of the West Indies, North or South America, Europe, or Africa. Any alien who by appearance indicates an admixture of negro blood should be classified under this heading.

ITALIAN (NORTH).

The people who are native to the basin of the Rivers Po in northern Italy (i. e., compartments of Piedmont, Lombardy, Venetia and Emilia) and their descendants, whether residing in Italy, Switzerland, Austria-Hungary, or any other country, should be classed as "Italian (north)." Most of these people speak a Gallic dialect of the Italian language.

ITALIAN (SOUTH).

The people who are native to that portion of Italy south of the basin of the Rivers Po (i. e., compartments of Liguria, Tuscany, Marches, Umbria, Latium, Abruzzi, Molise, Campania, Apulia, Basilicata, Calabria, Sicily, and Sardinia) and their descendants should be classed as "Italian (south)."

Column 10 (*Last residence*).—The entry in column 10 should show the *country and city or town* of last permanent residence, instead of the province, city, or town.

Column 11 (*Final destination*).—The entry in column 11 should show definitely the place (city or town) of final destination.

Column 12 (*Whether having a ticket to such final destination*).—The entry in column 12 should be either Yes (ticket) or No (no ticket).

Column 13 (*By whom was passage paid*).—The entry in column 13 should show definitely by whom passage was paid, as self; husband, father, brother, or other relative; friend; steamship company, etc.

Column 14 (*Whether in possession of $50, and if less, how much*).—The entry in column 14 should give in each case (individual or family) the exact amount of money shown.

* Money brought by the head of a family should not be divided among the several members of the family.

Column 15 (*Whether ever before in the United States, and if so, when and where*).—The entries in column 15 should show whether or not (Yes or No) in the United States before; and if so, the year (or period of years) and place; as, 1904-07, Philadelphia.

Column 16 (*Going to join relatives or friends; and if so, what relatives or friends*).—The entry in column 16 should show whether going to join either a relative or friends; and if so, what relative or friend, with name and complete address.

Columns 17 to 32.—The answers in these columns are subject to revision by any inspection officer in the consideration of immigrants.

EXTRACT FROM DEPARTMENT OF COMMERCE AND LABOR CIRCULAR No. 43.

SPECIAL INSTRUCTIONS FOR FILLING ALIEN MANIFESTS.

The information returned on the manifest [Forms 1506, 1509 A, and 1509 B (new numbers 103, 103 A, and 103 B)], so far as it relates to alien arrivals (including those in transit and transfers), should be made in accordance with the following classification. The number of the column on the manifest is given in these special instructions and is followed, in parentheses, in all cases up to and including column 16, by a descriptive title indicating briefly the subject to which it relates.

Columns 3 (Age).—The return of age in column 3 should be expressed in years or months, the latter applying only to those under 1 year of age.

Column 4 (Sex).—The entry in column 4 should be either M (male) or F (female).

Column 5 (Married or single).—The entry in column 5 should be either M (married), S (single), Wd (widowed), or D (divorced).

Column 6 (Calling or occupation).—The entry in column 6 should describe as accurately as possible the occupation, trade, or profession of each alien arrival, as for example: Clerk engineer, stationary engineer, locomotive engineer, mining engineer; brass polisher, wood polisher, iron molder, wood turner, etc., and not simply as engineer, polisher, molder, turner, or other indefinite designations.

A distinction should be made between *farmers* and *farm laborers*, regardless of the amount of money thrown, as follows:

A farmer is one who operates a farm, either for himself or others.

A farm laborer is one who works on a farm for the man who operates it.

Steamship companies should make this distinction on the manifests, and corrections should be made, if necessary, by inspectors and registry clerks during the personal examination of alien arrivals.

Column 7 (Able to read and write).—Column 7 is subdivided and the entries therein should be either Yes—Yes (can read and write). No—No (can neither read nor write), or Yes—No (can read but not write).

Column 8 (Nationality).—Column 8 should be construed to mean the country of which immigrant is a citizen or subject and not country of last permanent residence.

Column 9 (Race or people).—The entry in column 9 should show the race or people as given in list on reverse side of alien manifest.

Special attention should be paid to the distinction between race and nationality, and questions should be carefully revised by inspectors and registry clerks in this regard. For instance, "France" appearing on a manifest does not necessarily mean "French" by race or people, and similarly, "French" appearing up a manifest does not necessarily mean "France" by nationality. An alien who is Irish, Germans, or Hebrew by race or people usually comes under the heading of United Kingdom or any other country by which property owns under the heading of United States should be specially observed carefully. In this connection the following distinctions should be specially observed carefully.

CUBAN.

The term "Cuban" refers to the Cuban people (not Negroes).

WEST INDIAN.

"West Indian" refers to the people of the West Indies other than Cuba (not Negroes).

SPANISH-AMERICAN.

"Spanish-American" refers to the people of Central and South American of Spanish descent.

AFRICAN (BLACK).

"African (black)" refers to the African Negro, whether coming from Cuba or other islands of the West Indies, North or South America, Europe, or Africa. Any alien who on appearance indicates an admixture of negro blood should be classified under this heading.

ITALIAN (NORTH).

The people who are native to the basin of the River Po in northern Italy (i. e., compartments of Piedmont, Lombardy, Venetia, and Emelia) and their descendants, whether residing in Italy, Switzerland, Austria-Hungary, or any other country, should be classed as "Italian (north)." Most of these people speak a Gallic dialect of the Italian language.

ITALIAN (SOUTH).

The people who are native to that portion of Italy south of the basin of the River Po (i. e., compartments of Liguria, Tuscany, Marches, Umbria, Latium, Abruzzi, Molise, Campania, Apulia, Basilicata, Calabria, Sicily, and Sardinia) and to or [redacted] should be classed as "Italian (south)."

Column 10 (Last residence).—The entry in column 10 should show the country, and city or town of last permanent residence, instead of the province, city, or town.

Column 11 (Final destination).—The entry in column 11 should show definitely the place (city or town) of final destination.

Column 12 (Whether having a ticket to such final destination).—The entry in column 12 should be either Yes (ticket) or No (no ticket).

Column 13 (By whom was passage paid).—The entry in column 13 should show definitely by whom passage was paid, as self; husband, father, brother, or other relatives; friend; steamship company, etc.

Column 14 (Whether in possession of $50, and if less, how much).—The entry in column 14 should give in each case (individual or family) the exact amount of money shown.

Money brought by the head of a family should not be divided among the several members of the family.

Column 15 (Whether ever before in the United States; and if so, when and where).—The entries in column 15 should show whether or not (Yes or No) in the United States before; and if so, the year (or period of years) and place; as, 1901-07, Philadelphia.

Column 16 (Going to join relatives or friend; and if so, what relatives or friend).—The entry in column 16 should show whether going to join either a relative or friend, and if so, what relative or friend, with name and complete address.

Columns 17 to 32.—The answers in these columns are subject to revision by any inspection officer in the examination of immigrants.

EXTRACT FROM DEPARTMENT OF COMMERCE AND LABOR CIRCULAR No. 43.

SPECIAL INSTRUCTIONS FOR FILLING ALIEN MANIFESTS.

The information required on the manifest [Forms 2500, 2500 A, and 2500 B (these numbers 500, 500 A, and 500 B)], so far as it relates to alien arrivals (including those in transit and visitors), should be made in accordance with the following classification. The numbers of the columns on the manifests given in these special instructions and the headings, in all cases up to and including column 16, by a descriptive title indicating briefly the subject to which it relates.

Column 1 (Age).—The entry of age in column 1 should be expressed in years or months, the latter applying only to those under 1 year of age.

Column 2 (Sex).—The entry in column 2 should be either M (male) or F (female).

Column 3 (Married or single).—The entry in column 3 should be either M (married), S (single), Wd (widowed), or D (divorced).

Column 4 (Calling or occupation).—The entry in column 4 should describe as nearly as possible the occupation, trade, or profession of each alien arrived, in the examples given in the instructions, thus, not merely as engineer, but civil engineer, mining engineer, steam engineer, electrical engineer, mechanical engineer, mining engineer, house painter, sign painter, boat builder, wood turner, etc., and not simply as engineer, painter, builder, turner, or other indefinite designation.

A distinction should be made between *farmers* and *farm laborers*, regardless of the character of money shown, as follows:

A farmer is one who operates a farm, either for himself or others.

A farm laborer is one who works on a farm for the man who operates it.

Especially examiners should make this distinction on the manifests, and corrections should be made, if necessary, by inquiries and registry clerks during the personal examination of alien arrivals.

Column 5 (Able to read and write).—Column 5 is subdivided and the entries therein should be either Yes—Yes (can read and write), Yes—No (can neither read nor write), or No—No (can read but not write).

Column 6 (Nationality).—Column 6 should be confined to mean the country of which immigrant is a citizen or subject and not country of last permanent residence.

Column 7 (Race or people).—The entry in column 7 should show the race or people or given to his on reverse side of alien manifests.

Special attention should be paid to the distinction between race and nationality, and questions should be carefully resolved by inspectors and registry clerks in this regard. For instance, "France" appears as a nationality does not necessarily mean "French" by race, people, and similarly, "French" appearing as a nationality does not necessarily mean "France" by nationality. An alien who is Irish, Scotch, or Welsh or by race means "England" by nationality. An alien who is Irish, Scotch, or Welsh or by race might properly come under the heading of United Kingdom or any other country by which property came under the heading of United Kingdom or any other country by which property came under the heading of United Kingdom or any other country by which property came

The number of the columns on the manifest is given, in these special instructions and in Sub-Circular No. 43, to which it relates.

Columns 1 to 4 (Name, Age, Sex, Married or Single).—Columns 1, 2, 3, and 4 should be filled out as directed in Circular No. 43.

Column 5 (Calling or occupation).—The entry in column 5 should describe as accurately as possible the occupation, trade, or profession of each alien arrival, as for example: Civil engineer, stationary engineer, locomotive engineer, mining engineer, lawyer, publisher, steel polisher, iron polisher, wood turner, etc., and not simply as engineer, polisher, molder, farmer, or other indefinite designations.

A distinction should be made between *farmers* and *farm laborers*, regardless of the amount of money shown, as follows:

A farmer is one who operates a farm, either for himself or others.

A farm laborer is one who works on a farm for the man who operates it.

Steamship companies should make this distinction on the manifests, and corrections should be made, if necessary, by inspectors and registry clerks during the personal examination of alien arrivals.

Column 7 (Able to read and write).—Column 7 is subdivided and the entries therein should be either Yes—Yes (can read and write). No—No (can neither read nor write). or Yes—No (can read but not write).

Column 8 (Nationality).—Column 8 should be construed to mean the country of which immigrant is a citizen or subject and not country of last permanent residence.

Column 9 (Race or people).—The entry in column 9 should show the race or people as given in list on reverse side of alien manifest.

Special attention should be paid to the distinction between race and nationality, and manifests should be carefully revised by inspectors and registry clerks in this regard. For instance, "France" appearing on a manifest does not necessarily mean "French" by race or people, and similarly, "French" appearing on a manifest does not necessarily mean "France" by nationality. An alien who is Irish, German, or Hebrew by race might properly come under the heading of United Kingdom or any other country by nationality. In this connection the following distinctions should be carefully observed:

CUBAN.

The term "Cuban" refers to the Cuban people (not Negroes).

WEST INDIAN.

"West Indian" refers to the people of the West Indies other than Cuba (not Negroes).

SPANISH AMERICAN.

"Spanish American" refers to the people of Central and South America of Spanish descent.

AFRICAN (BLACK).

"African (black)" refers to the African Negro, whether coming from Cuba or other islands of the West Indies, North or South America, Europe or Africa. Any alien whose appearance indicates an admixture of negro blood should be classified under this heading.

ITALIAN (NORTH).

The people who are native to the north of the River Po in northern Italy (i. e., comprehending the compartimenti of Piedmont, Lombardy, Venetia and Emilia) and their descendants, whether residing in Italy, Switzerland, Austria-Hungary, or any other country, should be classed as "Italian (north)." Most of these people speak a Gallic dialect of the Italian language.

ITALIAN (SOUTH).

The people who are native to that portion of Italy south of the basin of the River Po (i. e., the compartimenti of Liguria, Tuscany, Marches, Umbria, Latium, Abruzzes, Molise, Campania, Apulia, Basilicata, Calabria, Sicily, and Sardinia) and their descendants should be classed as "Italian (south)."

Column 10 (Last residence).—The entry in column 10 should show the *country and city or town* of last permanent residence, instead of the province, city, or town.

Column 11 (Final destination).—The entry in column 11 should show definitely the place (city or town), of final destination.

Column 12 (Whether having a ticket to such final destination).—The entry in column 12 should be either Yes or No, as the case may be.

Column 13 (By whom was passage paid).—The entry in column 13 should show definitely by whom passage was paid, as self, husband, father, brother, or other relative; friend, steamship company, etc.

Column 14 (How much in possession of, and if less than $50).—The entry in column 14 should give in each case (individual or family) the exact amount of money shown.

Money brought by the head of a family should not be divided among the several members of the family.

Column 15 (Whether ever before in the United States, and if so, when and where).—The entries in column 15 should show whether or not (Yes or No) in the United States before; and if so, the year (or period of years) and place; as, 1904-07, Philadelphia.

Column 16 (Going to join relative or friend, and if so, what relative or friend).—The entry in column 16 should show whether going to join either a relative or friend; and if so, what relative or friend, with name and complete address.

Columns 17 to 19.—The answers in these columns are subject to revision by any inspection officer in the examination of immigrants.

EXTRACT FROM DEPARTMENT OF COMMERCE AND LABOR CIRCULAR No. 43.

SPECIAL INSTRUCTIONS FOR FILLING ALIEN MANIFESTS.

The information required on the manifests (Forms 2500, 2500 A, and 2500 B (new numbers 101, 101 A, and 101 B)), so far as it relates to alien arrivals (including those in transit and transfer), should be made in accordance with the following classifications. The numbers of the columns on the manifest to given in these special instructions and in the text below, in parentheses, in all cases refer to and including column 16, by a description also indicating briefly the subject to which it relates.

Column 2 (Age).—The column of age in column 2 should be expressed in years or months, the latter applying only to those under 1 year of age.

Column 3 (Sex).—The entry in column 3 should be either M. (male) or F. (female).

Column 4 (Married or single).—The entry in column 4 should be either M. (married), S (single), Wd (widowed), or D (divorced).

Column 5 (Calling or occupation).—The entry in column 5 should describe as accurately as possible the occupation, trade, or profession of each alien arrived, as for example: Civil engineer, mechanical engineer, locomotive engineer, mining or mines, house painter, sheet painter, lace maker, wood turner, etc., and not simply as engineer, painter, maker, turner, or other indefinite designations.

A distinction should be made between *farmers* and *farm laborers*, regardless of the amount of money shown, as follows:

A farmer is one who operates a farm, either for himself or others.

A farm laborer is one who works on a farm for the man who operates it.

Especial care should be used to make this distinction on the manifests, and corrections should be made, if necessary, by Inspectors and registry clerks during the personal examination of alien arrivals.

Column 7 (Able to read and write).—Column 7 is subdivided and the entries therein should be either Yes—Yes (can read and write), No—No (can neither read nor write), or Yes—No (can read but not write).

Column 8 (Nationality).—Column 8 should be construed to mean the country of which immigrant is a citizen or subject and not country of last permanent residence.

Column 9 (Race or people).—The entry in column 9 should show the race or people as given in list on reverse side of alien manifest.

Special attention should be paid to the distinction between race and nationality, and manifests should be carefully revised by Inspectors and registry clerks in this regard. Specific entries, as "Finnish" appearing on a manifest does not necessarily mean "French" by Nationality, "Prussian" appearing on a manifest does not necessarily mean "German" by race or people, and similarly, "French" appearing on a manifest does not necessarily mean "France" by nationality. An alien who is Irish, German, or Hebrew by race or people, and similarly, "French" appearing on a manifest does not necessarily mean "France" by nationality. An alien who is Irish, German, or Hebrew by race might properly come under the heading of United Kingdom or any other country by which he was last nationalized. In this connection the following distinctions should be carefully observed:

CUBAN.

The term "Cuban" refers to the Cuban people (not Negroes).

WEST INDIAN.

"West Indian" refers to the people of the West Indies other than Cuba (not Negroes).

SPANISH-AMERICAN.

"Spanish-American" refers to the people of Central and South America of Spanish descent.

AFRICAN (BLACK).

"African (black)" refers to the African Negro, whether coming from Cuba or other islands of the West Indies, North or South America, Europe, or Africa. Any alien whose appearance indicates an admixture of negro blood should be classified under this heading.

ITALIAN (NORTH).

The people who are native to the basin of the River Po in northern Italy (i. e., compartimenti of Piedmont, Lombardy, Venetia, and Emilia) and their descendants, whether residing in Italy, Switzerland, Austria-Hungary, or any other country, should be classed as "Italian (north)." Most of these people speak a Gallic dialect of the Italian language.

ITALIAN (SOUTH).

The people who are native to that portion of Italy south of the basin of the River Po (i. e., compartimenti of Liguria, Tuscany, Marches, Umbria, Latium, Abruzzes, Molise, Campania, Apulia, Basilicata, Calabria, Sicily, and Sardinia) and their descendants should be classed as "Italian (south)."

Column 10 (Last residence).—The entry in column 10 should show the country, and city or town of last permanent residence, instead of the province, city, or town.

Column 11 (Final destination).—The entry in column 11 should show definitely the place (city or town) of final destination.

Column 12 (Whether having a ticket to such final destination).—The entry in column 12 should be either Yes (ticket) or No (no ticket).

Column 13 (By whom was passage paid).—The entry in column 13 should show definitely by whom passage was paid, as self; husband, father, brother, or other relative; friend; steamship company, etc.

Column 14 (Whether in possession of $30, and if less, how much).—The entry in column 14 should give in each case (individual or family) the exact amount of money shown.

Money brought by the head of a family should not be divided among the several members of the family.

Column 15 (Whether ever before in the United States; and if so, when and where).—The entries in column 15 should show whether or not (Yes or No) in the United States before; and if so, the year (or period of years) and place; as, 1901-07, Philadelphia.

Column 16 (Going to join relative or friend; and if so, what relative or friend).—The entry in column 16 should show whether going to join either a relative or friend; and if so, what relative or friend, with name and complete address.

Columns 17 to 19.—The answers in these columns are subject to revision by any inspection officer in the consideration of immigrants.

EXTRACT FROM DEPARTMENT OF COMMERCE AND LABOR CIRCULAR No. 43.

SPECIAL INSTRUCTIONS FOR FILLING ALIEN MANIFESTS.

The information returned on the manifest (Forms 2008, 2009 A, and 2009 B (new numbers Nos. 500 A, and 500 B)), so far as it relates to alien arrivals (including those in transit and transfer), should be made in accordance with the following classifications. The number of the column on the manifest is given in these special instructions and is followed, in parentheses, in all cases up to and including column 16, by a descriptive title indicating briefly the subject to which it relates.

Column 3 (Age).—The return of age in column 3 should be expressed in years or months, the latter applying only to those under 1 year of age.

Column 4 (Sex).—The entry in column 4 should be either M (male) or F (female).

Column 5 (Married or single).—The entry in column 5 should be either M (married), S (single), Wd (widowed), or D (divorced).

Column 6 (Calling or occupation).—The entry in column 6 should describe as accurately as possible the occupation, trade, or profession of each alien arrival, as for example: Civil engineer, stationary engineer, locomotive engineer, mining engineer, brass polisher, wood polisher, iron molder, wood turner, etc., and not simply as engineer, polisher, molder, turner, or other indefinite designation.

A distinction should be made between *farmers* and *farm laborers*, regardless of the amount of money shown, as follows:

A farmer is one who operates a farm, either for himself or others.

A farm laborer is one who works on a farm for the man who operates it.

Steamship companies should make this distinction on the manifests and corrections should be made, if necessary, by inspectors and registry clerks during the personal examination of alien arrivals.

Column 7 (Able to read and write).—Column 7 is subdivided and the entries therein should be either Yes—Yes (can read and write), Yes—No (can neither read nor write), or No—No (can read but not write).

Column 8 (Nationality).—Column 8 should be construed to mean the country of which immigrant is a citizen or subject and not country of last permanent residence.

Column 9 (Race or people).—The entry in column 9 should show the race or people as given in list on reverse side of alien manifest.

Special attention should be paid to the distinction between race and nationality, and manifests should be carefully revised by inspectors and registry clerks in this regard. For instance, "France" appearing on a manifest does not necessarily mean "French" by race or people, and similarly, "French" appearing on a manifest does not necessarily mean "France" by nationality. An alien who is Irish, German, or Hebrew by race might properly come under the heading of United Kingdom or any other country by nationality. In this connection the following distinctions should be specially observed:

CUBAN.

The term "Cuban" refers to the Cuban people (not Negroes).

WEST INDIAN.

"West Indian" refers to the people of the West Indies other than Cuba (not Negroes).

SPANISH-AMERICAN.

"Spanish-American" refers to the people of Central and South America of Spanish descent.

AFRICAN (BLACK).

"African (black)" refers to the African Negro, whether coming from Cuba or other islands of the West Indies, North or South America, Europe, or Africa. Any alien whose appearance indicates an admixture of negro blood should be classified under this heading.

ITALIAN (NORTH).

The people who are native to the basin of the River Po in northern Italy (i. e., compartimenti of Piedmont, Lombardy, Venetia, and Emilia) and their descendants, whether residing in Italy, Switzerland, Austria-Hungary, or any other country, should be classed as "Italian (north)." Most of these people speak a Gallic dialect of the Italian language.

ITALIAN (SOUTH).

The people who are native to that portion of Italy south of the basin of the River Po (i. e., compartimenti of Liguria, Tuscany, Marches, Umbria, Latium, Abruzzes, Molise, Campania, Apulia, Basilicata, Calabria, Sicily, and Sardinia) and their descendants should be classed as "Italian (south)."

Column 10 (Last residence).—The entry in column 10 should show the country, and city or town of last permanent residence, instead of the province, city, or town.

Column 11 (Final destination).—The entry in column 11 should show definitely the place (city or town) of final destination.

Column 12 (Whether having a ticket to such final destination).—The entry in column 12 should be either Yes (ticket) or No (no ticket).

Column 13 (By whom was passage paid).—The entry in column 13 should show definitely by whom passage was paid, as self, husband, father, brother, or other relative; friend; steamship company, etc.

Column 14 (Whether in possession of $50, and if less, how much).—The entry in column 14 should give in each case (individual or family) the exact amount of money shown.

Money brought by the head of a family should not be divided among the several members of the family.

Column 15 (Whether ever before in the United States; and if so, when and where).—The entries in column 15 should show whether or not (Yes or No) in the United States before; and if so, the year (or period of years) and place; as, 1893-97, Philadelphia.

Column 16 (Going to join relative or friend; and if so, what relative or friend).—The entry in column 16 should show whether going to join either a relative or friend; and if so, what relative or friend, with name and complete address.

Columns 17 to 22.—The answers in these columns are subject to revision by any inspection officer in the examination of immigrants.

EXTRACT FROM DEPARTMENT OF COMMERCE AND LABOR CIRCULAR No. 43.

SPECIAL INSTRUCTIONS FOR FILLING ALIEN MANIFESTS.

The information required on the manifest [Forms 1500, 1500 A, and 1500 B (form numbers 500, 500 A, and 500 B)], so far as it relates to alien arrivals (including those in transit and visitors), should be made in accordance with the following classification. The country of the citizens on the manifest is given in three special designations and is followed, in parentheses, by all races up to and including column 10, by a descriptive title following briefly the subject to which it relates.

Column 3 (Age).—The return of age in column 3 should be expressed in years or months, the latter applying only to those under 1 year of age.

Column 4 (Sex).—The entry in column 4 should be either M (male) or F (female).

Column 5 (Married or single).—The entry in column 5 should be either M (married), S (single), Wd (widowed), or D (divorced).

Column 6 (Calling or occupation).—The entry in column 6 should describe as accurately as possible the occupation, trade, or profession of each alien arrival, as for example: Civil engineer, stationary engineer, locomotive engineer, mining engineer, house painter, sheet painter, house mover, wood worker, etc., and not simply as engineer painter, worker, farmer, or other indefinite designations.

A distinction should be made between *farmers* and *farm laborers*, regardless of the number of laborers employed, as follows:

A farmer is one who operates a farm, either for himself or others.

A farm laborer is one who works on a farm for the man who operates it.

Extreme accuracy should be made this distinction on the manifests, and corrections thereof, if necessary, by inspectors and registry clerks during the appraisal of aliens arriving.

Column 7 (Able to read and write).—Column 7 is subdivided and the entries therein should be either Yes—Yes (can read and write), No—No (can neither read nor write), or Yes—No (can read but not write).

Column 8 (Nationality).—Column 8 should be construed to mean the country of which the alien is a citizen or subject and not country of last permanent residence.

Column 9 (Race or people).—The entry in column 9 should show the race or people to which each alien belongs, as given in list on reverse side of alien manifest.

Special attention should be paid to the distinction between race and nationality, and manifests should be carefully revised by inspectors and registry clerks in this regard. For instance, "Russian" appearing on a manifest does not necessarily mean "French" by race or people, and similarly, "French" appearing on a manifest does not necessarily mean "Russian" by nationality. An alien who is Irish, German, or Hebrew by race may, nevertheless, be a subject of the United Kingdom or any other country, by which property come under the heading of United Kingdom or any other country, by which nationality. In this connection the following distinctions should be specially observed:

CUBAN.

The term "Cuban" refers to the Cuban people (not Negroes).

WEST INDIAN.

"West Indian" refers to the people of the West Indies other than Cuba (not Negroes).

SPANISH-AMERICAN.

"Spanish-American" refers to the people of Central and South America of Spanish descent.

AFRICAN (BLACK).

"African (black)" refers to the African Negro, whether coming from Cuba or other islands of the West Indies, Central or South America, Europe or Africa. Any alien whose appearance indicates an admixture of negro blood should be classified under this heading.

WALLAH (NORTH).

The people who are native to the basin of the River Po in northern Italy (i. e., compartments of Piedmont, Lombardy, Venetia, and Emilia) and their descendants, whether resident in Italy, Switzerland, Austria-Hungary, or any other country, should be classed as "Italian (North)." Most of these people speak a Gallic dialect of the Italian language.

WALLAH (SOUTH).

The people who are native to that portion of Italy south of the basin of the River Po (i. e., compartments of Liguria, Tuscany, Marches, Umbria, Latium, Abruzzes, Molise, Campania, Apulia, Basilicata, Calabria, Sicily, and Sardinia) and their descendants should be classed as "Italian (south)."

Column 10 (Last residence).—The entry in column 10 should show the country, and city or town of last permanent residence, instead of the province, city, or town.

Column 11 (Final destination).—The entry in column 11 should show definitely the place (city or town) of final destination.

Column 12 (Whether having a ticket to such final destination).—The entry in column 12 should be either Yes (ticket) or No (no ticket).

Column 13 (By whom were passage paid).—The entry in column 13 should show definitely by whom passage was paid, as self; husband, father, brother, or other relative; friend; steamship company, etc.

Column 14 (Whether in possession of $50, and if less, how much).—The entry in column 14 should give in each case (individual or family) the exact amount of money shown.

Money brought by the head of a family should not be divided among the several members of the family.

Column 15 (Whether ever before in the United States, and if so, when and where).—The entries in column 15 should show whether or not (Yes or No) in the United States before; and if so, the year (or period of years) and place; as, 1902-07, Philadelphia.

Column 16 (Going to join relatives or friend, and if so, what relatives or friend).—The entry in column 16 should show whether going to join either a relative or friend; and if so, what relative or friend, with name and complete address.

Columns 17 to 37.—The answers in these columns are subject to critique by any inspection officer in the examination of immigrants.

GENERAL INSTRUCTIONS FOR FILLING ALIEN MANIFESTS.

The information required on the manifest [Forms 1840, 1899 A, and 1899 B (new numbers 500 A, and 500 B)], so far as it relates to alien arrivals (including those in transit and transfer), should be made in accordance with the following classification. The accuracy of the returns on the manifest is given in these special instructions and is followed, in parentheses, in all cases up to and including column 16, by a descriptive title indicating briefly the subject to which it relates.

Column 4 (Age).—The return of age in column 4 should be expressed in years or months, the latter applying only to those under 1 year of age.

Column 5 (Sex).—The entry in column 5 should be either M (male) or F (female).

Column 6 (Married or single).—The entry in column 6 should be either M (married), S (single), Wd (widowed), or D (divorced).

A distinction should be made between *farmers* and *farm laborers*, regardless of the amount of money shown, as follows:

GENERAL INSTRUCTIONS FOR FILLING ALIEN MANIFESTS.

The information required on the manifest [Forms 1896, 1899 A, and 1906 B (new numbers 103, 103 A, and 103 B)], so far as it relates to alien arrivals (including those in transit through), should be made in accordance with the following classifications. The number of the column on the manifest is given in these special instructions and is followed, in parentheses, in all cases up to and including column 16, by a description indicating briefly the subject to which it relates.

Column 1 (Age).—The returns of age in column 1 should be expressed in years or months, the latter applying only to infants under 1 year of age.

Column 2 (Sex).—The entry in column 2 should be either M (male) or F (female).

Column 3 (Married or single).—The entry in column 3 should be either M (married), S (single), Wd (widowed), or D (divorced).

Column 4 (Calling or occupation).—The entry in column 4 should describe as accurately as possible the occupation, trade, or profession of each alien arrival, as for example: Civil engineer, stationary engineer, locomotive engineer, mining engineer, brass polisher, steel polisher, iron molder, wood turner, etc., and not simply as engineer, polisher, molder, turner, or other indefinite designation.

A distinction should be made between *farmers* and *farm laborers*, regardless of the amount of money shown, as follows:

A farmer is one who operates a farm, either for himself or others.

A farm laborer is one who works on a farm for the man who operates it.

Especially competent should make this distinction on the manifests, and corrections should be made, if necessary, by inspectors and registry clerks during the personal examination of alien arrivals.

Column 5 (Able to read and write).—Column 5 is subdivided and the entries therein should be either Yes—Yes (can read and write), No—No (can neither read nor write), or Yes—No (can read but not write).

Column 6 (Nationality).—Column 6 should be construed to mean the country of which the immigrant is a citizen or subject and not country of last permanent residence.

Column 7 (Race or people).—The entry in column 7 should show the race or people as given in list on 3d page of alien manifests.

For instance, "France" appearing on a manifest does not necessarily mean "French" by race or people, and similarly, "French" appearing on a manifest does not necessarily mean "France" by nationality. An alien who is Irish, German, or Hebrew by race might properly enter under the heading of United Kingdom or any other country by nationality. In this connection the following distinctions should be specially observed:

CUBAN.

The term "Cuban" refers to the Cuban people (not Negroes).

WEST INDIAN.

"West Indian" refers to the people of the West Indies other than Cuba (not Negroes).

SPANISH-AMERICAN.

"Spanish-American" refers to the people of Central and South America of Spanish descent.

AFRICAN (BLACK).

"African (black)" refers to the African Negro, whether coming from Cuba or other islands of the West Indies, North or South America, Europe, or Africa. Any alien whose appearance indicates an admixture of negro blood should be classified under this heading.

ITALIAN (NORTH).

The people who are native to the basin of the River Po in northern Italy (i. e., compartimenti of Piedmont, Lombardy, Venetia, and Emilia) and their descendants, whether residing in Italy, Switzerland, Austria-Hungary, or any other country, should be classed as "Italian (north)." Most of these people speak a Gallic dialect of the Italian language.

EXTRACT FROM DEPARTMENT OF COMMERCE AND LABOR CIRCULAR No. 43.

SPECIAL INSTRUCTIONS FOR FILLING ALIEN MANIFESTS.

The information required on the manifests (Forms No. 101-A. and 101-B), so far as it relates to alien arrivals (including those in transit and territory), should be made in accordance with the following classifications. The number of the column on the manifest is given in these special instructions and is followed in parentheses, in all cases up to and including column 16, by a descriptive title indicating broadly the subject to which it relates.

Column 3 (Age).—The return of age in column 3 should be expressed in years or months, the latter applying only to those under 1 year of age.

Column 4 (Sex).—The entry in column 4 should be either M (male) or F (female).

Column 5 (Married or single).—The entry in column 5 should be either M (married), S (single), W (widowed), or D (divorced).

Column 6 (Calling or occupation).—The entry in column 6 should describe as accurately as possible the occupation, trade, or profession of each alien arrival, as for example: Civil engineer, stationary engineer, locomotive engineer, mining engineer, horse trainer, wood polisher, iron molder, wood turner, etc., and not simply as "engineer," "polisher," "molder," "turner," or other indefinite designations.

A distinction should be made between *farmers* and *farm laborers*, regardless of the amount of money shown, as follows:

A farmer is one who operates a farm, either for himself or others.

A farm laborer is one who works on a farm for the man who operates it.

Steamship companies should make this distinction on the manifests, and corrections should be made, if necessary, by inspectors and registry clerks during the personal examination of alien arrivals.

Column 7 (Able to read and write).—Column 7 is subdivided and the entries therein should be either Yes.—Yes, can read and write; No—No, can neither read nor write; or Rs—No (can read but not write).

Column 8 (Nationality).—Column 8 should be construed to mean the country of which immigrant is a citizen or subject.

Column 9 (Race or people).—The entry in column 9 should show the race or people as given in the descriptions on alien manifests.

Special attention should be paid to the distinction between race and nationality, and manifests should be carefully revised by inspectors and registry clerks in this regard. For instance, "France" appearing on a manifest does not necessarily mean "French" by race or people, and similarly "French" appearing on a manifest does not necessarily mean "France" by nationality. An alien who is Irish, Germans, or Hebrew by race might properly come under the heading of United Kingdom or any other country in nationality. In this connection the following distinctions should be specially observed:

CUBAN.

The term "Cuban" refers to the Cuban people (not Negroes).

WEST INDIAN.

"West Indian" refers to the people of the West Indies other than Cuban (not Negroes).

SPANISH-AMERICAN.

Spanish-American refers to the people of Central and South America of Spanish descent.

AFRICAN (BLACK).

African (black) refers to the African Negro, whether coming from Cuba or other islands of the West Indies, from South America, Europe or Africa. Any person who by appearance indicates African descent, black or mulatto, should be classified under this heading.

ITALIAN (NORTH).

The people who are native to the basin of the River Po in northern Italy, i. e., the provinces of Piedmont, Lombardy, Venetia, and Emilia) and their descendants, whether residing in Italy, contiguous Austrian territory, or any other country, should be classed as Italian (north). Most of these people speak the dialect of the Italian Tyrolese.

ITALIAN (SOUTH).

The people who are native to the portion of Italy south of the basin of the River Po, i. e., the provinces of Liguria, Tuscany, Marches, Umbria, Latium, Abruzzi, Molise, Campania, Apulia, Basilicata, Calabria, Sicily and Sardinia, and their descendants, should be classed as Italian (south).

Column 10 (Last residence).—The entry in column 10 should show the *country* and *city* or town of last permanent residence, instead of the province, city or town.

Column 11 (Final destination).—The entry in column 11 should show definitely the place (city or town) of final destination.

Column 12 (Whether having ticket to such final destination).—The entry in column 12 should be either Yes, Ticket, or No (no ticket).

Column 13 (By whom was passage paid).—The entry in column 13 should show definitely by whom passage was paid, as self, husband, father, brother, or other relative, friend, steamship company, etc.

Column 14 (Whether in possession of $50 and if less, how much).—The entry in column 14 should give in each case the individual or family the exact amount of money shown.

Money brought by the head of a family should not be divided among the several members of the family.

Column 15 (Whether ever before in the United States; and if so, when and where).—The entries in column 15 should show whether or not (Yes or No) in the United States before, and if so, the year or period of years and place, as, 1903, S., Philadelphia.

Column 16 (Whether going to join relative or friend; and if so, what relative or friend).—The entry in column 16 should show whether going to join father, a relative, sweetheart, and if so, what relative or friend, with name and complete address.

Columns 17 to 29.—The answers in these columns are subject to revision by any inspection officer in the examination of immigrants.

Column 7 (Able to read and write).—Column 7 is subdivided, and the entries therein should be either Yes—Yes (can read and write), No—No (can neither read nor write), or Yes—No (can read but not write).

Column 8 (Nationality).—Column 8 should be construed to mean the country of which immediate is a citizen or subject.

Column 9 (Race or people).—The entry in column 9 should show the race or people as given in list on reverse side of alien manifest.

Special attention should be paid to the distinction between race and nationality, and attention should be carefully noticed by inspectors and registry clerks in this regard. For instance, "Persian" appearing on a manifest does not necessarily mean "French" by race or people, and similarly, "French" appearing on a manifest does not necessarily mean "Persian" by nationality. An alien who is Irish, German, or Hebrew by race might properly come under the heading of United Kingdom or any other country by nationality. In this connection the following distinctions should be specially observed:

CUBAN.

The term "Cuban" refers to the Cuban people (not Negroes).

WEST INDIAN.

"West Indian" refers to the people of the West Indies other than Cuba (not Negroes).

SPANISH-AMERICAN.

"Spanish-American" refers to the people of Central and South America of Spanish descent.

AFRICAN (BLACK).

African (black) refers to the African Negro, whether coming from Cuba or other islands of the West Indies, from Central or South America, Europe, or Africa. Any alien whose appearance indicates a admixture of negro blood should be classified under this heading.

ITALIAN (NORTH).

The people who are native to the basin of the River Po in northern Italy (i. e., comprising the provinces of Piedmont, Lombardy, Venetia, and Emilia) and their descendants, whether residing in Italy, Switzerland, Austria-Hungary, or any other country, should be classed as "Italian (north)." Most of these people speak a Gallic dialect of the Italian language.

ITALIAN (SOUTH).

The people who are native to that portion of Italy south of the basin of the River Po (i. e., the compartimenti of Liguria, Tuscany, Marches, Umbria, Latium, Abruzzi, Molise, Campania, Apulia, Basilicata, Calabria, Sicily, and Sardinia), and their descendants should be classed as "Italian (south)."

Column 10 (Last residence).—The entry in column 10 should show the country, and city or town of last permanent residence, instead of the province, city, or town.

Column 11 (Final destination).—The entry in column 11 should show definitely the place (city or town) of final destination.

Column 12 (Whether having a ticket to such final destination).—The entry in column 12 should be either Yes (ticket) or No (no ticket).

Column 13 (If whom sent passage paid).—The entry in column 13 should show definitely by whom passage was paid, as self, husband, father, brother, or other relative, friend, steamship company, etc.

Column 14 (Whether in possession of $50 cash or less, how much).—The entry in column 14 should give in each case (individual or family) the exact amount of money shown.

Money brought by the head of a family should not be divided among the several members of the family.

Column 15 (Whether ever before in the United States, and if so, when and where).—The entries in column 15 should show whether or not (Yes or No) in the United States before; and if so, the year or period of years and place, as, 1903, Philadelphia.

Column 16 (Going to, give relative or friend's name if so, what relative or friend).—The entry in column 16 should show whether going to join either a relative or friend; and if so, what relative or friend, with name and complete address.

Columns 17 to 22.—The answers in these columns are subject to revision by any inspection officer in the consideration of immigrants.

EXTRACT FROM DEPARTMENT OF COMMERCE AND LABOR CIRCULAR No. 43.

SPECIAL INSTRUCTIONS FOR FILLING OUT MANIFESTS.

The information returned on the manifest (Forms No. 500 A. and 500 B) so far as it relates to alien arrivals (including those in transit and inspected) should be made in accordance with the following instructions. The number of the column on the manifest is given in these special instructions and is followed in parentheses by the name of the column, including column 16, by a descriptive title indicating briefly the subject to which it relates.

1 (Age).—Column 1 (Age).—The return of age in column 1 should be expressed in years or months, the latter applying only to those under 1 year of age.

2 (Sex).—Column 2 (Sex).—The entry in column 2 should be either M (male) or F (female).

3 (Married or single).—Column 3 (Married or single).—The entry in column 3 should be either M (married), S (single), Wd (widowed), or D (divorced).

4 (Calling or occupation).—Column 4 (Calling or occupation).—The entry in column 4 should describe as accurately as possible the occupation, trade, or profession of each alien arrival, as for example: Civil engineer, stationary engineer, locomotive engineer, mining engineer, lemon peddler, fruit peddler, iron molder, wood turner, etc., and not simply as engineer, peddler, molder, turner, or other indefinite designation.

A distinction should be made between *farmers* and *farm laborers*, regardless of the amount of money shown, as follows:

A farmer is one who operates a farm, either for himself or others.

A farm laborer is one who works on a farm for the man who operates it.

Especial attention should under this distinction in the manifests, and corrections should be made, if necessary, by inspectors and registry clerks during the personal examination of alien arrivals.

5 (Able to read and write).—Column 5 (Able to read and write).—Column 5 is subdivided and the entries therein should be either Yes—Yes (can read and write). No—He (can neither read nor write). or Yes—He (can read but not write).

6 (Nationality).—Column 6 (Nationality).—Column 6 should be construed to mean the country of which nationality is a citizen or subject.

7 (Race or people).—Column 7 (Race or people).—The entry in column 7 should show the race or people as given in list on reverse side of alien manifest.

Special attention should be paid to the distinction between race and nationality, and manifests should be carefully revised by inspectors and registry clerks in this regard. For instance, "Persian" appearing on a manifest does not necessarily mean "French" by race or people, and similarly, "French" appearing on a manifest does not necessarily mean "Parisian" by nationality. An alien who is Irish, Germans, or Hebrew by race might properly come under the heading of United Kingdom or any other countries in nationality. In this connection the following classification should be specially observed:

CUBAN.

The term "Cuban" refers to the Cuban people (not Negroes).

WEST INDIAN.

"West Indian" refers to the people of the West Indies other than Cuban and Negroes.

SPANISH-AMERICAN.

"Spanish-American" refers to the people of Central and South America, of mixed descent.

AFRICAN (BLACK).

African (black) refers to the African Negro, whether coming from Africa or other islands of the West Indies, or from Central America, Europe, or Africa, and all persons of mixed African blood should be classified under this heading.

ITALIAN (NORTH).

The people who are native to the basin of the River Po in northern Italy (i. e., the compartimenti of Piedmont, Lombardy, Venetia, and Emilia) and their descendants, whether residing in Italy, Switzerland, Austria-Hungary, or any other country, should be classed as "Italian (north)." Most of these people speak the dialect of the Italian language.

ITALIAN (SOUTH).

The people who are native to that portion of Italy south of the basin of the River Po (i. e., the compartimenti of Liguria, Tuscany, Marches, Umbria, Latium, Abruzzi, Molise, Campania, Apulia, Basilicata, Calabria, Sicily, and Sardinia) and their descendants, should be classed as "Italian (south)."

8 (Nationality of race or people).—Column 8 (Nationality of race or people).—The entry in column 8 should show the country and city or town of last permanent residence, instead of the provincial city or town.

9 (Final destination).—Column 9 (Final destination).—The entry in column 9 should show definitely the place (city or town) of final destination.

10 (Whether having a ticket to such final destination).—Column 10 (Whether having a ticket to such final destination).—The entry in column 10 should be either Yes (ticket), or No (no ticket).

11 (By whom was passage paid).—Column 11 (By whom was passage paid).—The entry in column 11 should show definitely by whom passage was paid as self, husband, father, brother, or other relative friend, steamship company, etc.

12 (Whether in possession of $50 and if not, how much).—Column 12 (Whether in possession of $50 and if not, how much).—The entry in column 12 should give to each alien individual or family the exact amount of money shown.

Money brought by the head of a family should not be divided among the several members of the family.

13 (Whether ever before in the United States and if so, when and where).—Column 13 (Whether ever before in the United States and if so, when and where).—The entries in column 13 should show whether or not (Yes or No) in the United States before, and if so, the year (or period of years), and place (as 1896 at Philadelphia).

14 (Going to join relative or friend, and if so, what relative or friend).—Column 14 (Going to join relative or friend, and if so, what relative or friend).—The entry in column 14 should show whether going to join either a relative or friend, and if so, what relative or friend, with name and complete address.

15 (If so).—Column 15 (If so).—The answers in this column are subject to revision by any inspection officer in the examination, if necessary.

EXTRACT FROM DEPARTMENT OF COMMERCE AND LABOR CIRCULAR No. 43

SPECIAL INSTRUCTIONS FOR FILLING ALIEN MANIFESTS

The information required on the manifest [Forms No. 500 A. and 500 B], so far as it relates to alien arrivals (including those in transit and inspectors, should be made in accordance with the following classifications. The number of the column on the manifest is given in these special instructions and is followed, in parentheses, by all words in, and including column 16, by a description this indicating briefly the subject to which it relates.

Column 3 (Age).—The column of age in column 3 should be expressed in years or months, the latter applying only to those under 1 year of age.

Column 4 (Sex).—The entry in column 4 should be either M (male) or F (female).

Column 5 (Married or single).—The entry in column 5 should be either M (married), S (single), Wd (widowed), or D (divorced).

Column 6 (Calling or occupation).—The entry in column 6 should describe as accurately as possible the occupation, trade, or profession of each alien arrived, as for example: Civil engineer, stationary engineer, locomotive engineer, mining engineer, house painter, sign painter, bookkeeper, farm laborer, wood turner, etc., and not simply as engineer, painter, machine hand, or other indefinite designations.

A distinction should be made between *farmers* and *farm laborers*, regardless of the amount of property owned, as follows:

A farmer is one who operates a farm, either for himself or others.

A farm laborer is one who works on a farm for the man who operates it.

Steamship companies should make this distinction on the manifests, and careful attention should be made, if necessary, by inspectors and registry clerks during the personal examinations of alien arrivals.

Column 7 (Able to read and write).—Column 7 is subdivided and the entries therein should be either Yes—Yes (can read and write), No—No (can neither read nor write), or Yes—No (can read but not write).

Column 8 (Nationality).—Column 8 should be construed to mean the country of which immigrants is a citizen or subject.

Column 9 (Race or people).—The entry in column 9 should show the race or people as given in list on reverse side of alien manifest.

Special attention should be paid to the distinction between race and nationality, and manifests should be carefully revised by inspectors and registry clerks in this regard. Nationalities, "France" appearing on a manifest does not necessarily mean French by race or people, and similarly, "French" appearing on a passenger does not necessarily mean "France" by nationality. An alien who is Irish, Germish, or Hebrew by race might properly come under the heading of United Kingdom or any other country by nationality. In this connection the following distinctions should be specially observed nationality. In this connection the following distinctions should be specially observed:

AFRICAN.

The term "Cuban" relates to the Colored people (not Negroes).

WEST INDIAN.

"West Indian" relates to the people of the West Indies other than Cuba (not Negroes).

SPANISH-AMERICAN.

Spanish-American refers to the people of Central and South America of Spanish descent.

AFRO-AMERICAN.

African (black) refers to the African Negro whether coming from Cuba or the islands of the West Indies, North or South American Europe or Africa. Any race where appearance indicates an admixture of negro blood should be classified under this heading.

ITALIAN (NORTH).

The people who are native to the basin of the River Po in northern Italy (i. e., compartments of Piedmont, Lombardy, Venetia and Emilia) and their descendants, whether residing in Italy, Switzerland, Austria-Hungary, or any other country, should be classed as "Italian (north)." Most of these people speak a Gallic dialect of the Italian language.

ITALIAN (SOUTH).

The people who are native to that portion of Italy south of the basin of the River Po (i. e., compartments of Liguria, Tuscany, Marches, Umbria, Latium, Abruzzi, Molise, Campania, Apulia, Basilicata, Calabria, Sicily, and Sardinia) and their descendants should be classed as "Italian (south)."

Column 10 (Last residence).—The entry in column 10 should show the country and city or town of last permanent residence (instead of the previous city or town.

Column 11 (Final destination).—The entry in column 11 should show definitely the place (city or town) of final destination.

Column 12 (Whether having a ticket to such final destination).—The entry in column 12 should be either Yes (ticket) or No (no ticket).

Column 13 (By whom sent passage paid).—The entry in column 13 should show definitely by whom passage was paid, as self, husband, father, brother, or other relative, friend, steamship company, etc.

EXTRACT FROM DEPARTMENT OF COMMERCE AND LABOR CIRCULAR No. 43.

SPECIAL INSTRUCTIONS FOR FILLING ALIEN MANIFESTS.

The information returned on the manifest (Forms 500, 500 A, and 500 B), as far as it relates to alien arrivals (including those in transit and steerage), should be made in accordance with the following classification. The number of the column on the manifest is given in these special instructions and is followed, in parentheses, in all cases by (c) and including column 16, by a description title indicating briefly the subject to which it relates.

Column 3 (Age).—The names of age in column 3 should be expressed in years or months, the latter applying only to those under 1 year of age.

Column 4 (Sex).—The entry in column 4 should be either M (male) or F (female).

Column 5 (Married or single).—The entry in column 5 should be either M (married), S (single), Wd (widowed), or D (divorced).

Column 6 (Calling or occupation).—The entry in column 6 should describe as accurately as possible the occupation, trade, or profession of each alien arrival, as for example: Civil engineer, stationary engineer, locomotive engineer, mining engineer, horse puller, coal puller, iron molder, wood turner, etc., and not simply as engineer, puller, molder, turner, or other indefinite designations.

A distinction should be made between *persons* and *farm laborers*, regardless of the amount of money shown, as follows:

A farmer is one who operates a farm, either for himself or others.

A farm laborer is one who works on a farm for the man who operates it.

Particular attention should make this distinction on the manifests, and corrections should be made, if necessary, by inspectors and registry clerks during the personal examination of aliens arrivals.

Column 7 (Able to read and write).—Column 7 is subdivided, and the entries therein should be either Yes—Yes (can read and write), Ro—No (can neither read nor write), or Yr—No (can read but not write).

Column 8 (Nationality).—Column 8 should be construed to mean the country of which immigrant is a citizen or subject.

Column 9 (Race or people).—The entry in column 9 should show the race or people as given in list on reverse side of alien manifest.

Special attention should be paid to the distinction between race and nationality, and manifests should be carefully revised by inspectors and registry clerks in this regard. For instance, "Finnish" appearing on a manifest does not necessarily mean "Finnish" by race or people, and similarly, "French" appearing on a manifest does not necessarily mean "French" by nationality. An alien who is Irish, German, or Hebrew by race might properly come under the heading of United Kingdom or any other country, by nationality. In this connection the following instructions should be carefully observed, uniformly:

CUBAN.

The term "Cuban" refers to the Cuban people (not Negroes).

WEST INDIAN.

"West Indian" refers to the people of the West Indies other than Cuba (not Negroes).

SPANISH-AMERICAN.

"Spanish-American" refers to the people of Central and South America of Spanish descent.

AFRICAN (BLACK).

African (black) refers to the African Negro, whether coming from Cuba or other islands of the West Indies, North or South America, Europe or Africa. Any alien whose appearance indicates admixture of negro blood should be classified under this heading.

ITALIAN (NORTH).

The people who are native to the basin of the River Po in northern Italy (i. e., compartments of Piedmont, Lombardy, Venetia, and Emilia) and their descendants, whether residing in Italy, Switzerland, Austria-Hungary, or any other country, should be classed as "Italian (north)." Most of these people speak a Gallic dialect of the Italian language.

ITALIAN (SOUTH).

The people who are native to that portion of Italy south of the basin of the River Po (i. e., compartments of Liguria, Tuscany, Marches, Umbria, Latium, Abruzzi, Molise, Campania, Apulia, Basilicata, Calabria, Sicily, and Sardinia) and their descendants should be classed as "Italian (south)."

Column 10 (Last residence).—The entry in column 10 should show the country and city or town of last permanent residence, instead of the province, city or town.

Column 11 (Final destination).—The entry in column 11 should show definitely the place (city or town) of final destination.

Column 12 (Whether having a ticket to such final destination).—The entry in column 12 should be either Yes (ticket) or No (no ticket).

Column 13 (By whom was passage paid).—The entry in column 13 should show definitely by whom passage was paid, as self, husband, father, brother, or other relative, friend, steamship company, etc.

Column 14 (Whether in possession of $50, and if not, how much).—The entry in column 14 should give in each case (individual or family) the exact amount of money shown.

Money brought by the head of a family should not be divided among the several members of the family.

Column 15 (Whether ever before in the United States, and if so, when and where).—The entries in column 15 should show whether or not (Yes or No) in the United States before; and if so the year (or period of years) and place; as, 1904-07, Philadelphia.

Column 16 (Going to join relatives or friends, and if so, what relatives or friends).—The entry in column 16 should show whether going to join either a relative or friend, and if so, what relative or friend, with name and complete address.

Columns 17 to 22.—The answers in these columns are subject to revision by any inspection officer in the examination of immigrant.

EXTRACT FROM DEPARTMENT OF COMMERCE AND LABOR CIRCULAR No. 43.

SPECIAL INSTRUCTIONS FOR FILLING ALIEN MANIFESTS.

The information contained in the manifest (Forms 3369, 3369 A, and 3369 B [new numbers 500, 500 A, and 500 B]), so far as applicable to alien arrivals (including those in transit and transfer), should be made in accordance with the following classification. The number of the column on the manifest is given in these special instructions and in the head, in parentheses, in all cases up to and including column 16, by a description briefly indicating briefly the subject to which it relates.

Column 3 (Age).—The return of age in column 3 should be expressed in years or months, the latter applying only to those under 1 year of age.

Column 4 (Sex).—The entry in column 4 should be either M (male) or F (female).

Column 5 (Married or single).—The entry in column 5 should be either M (married), S (single), Wd (widowed), or D (divorced).

Column 6 (Calling or occupation).—The entry in column 6 should describe as accurately as possible the occupation, trade, or profession of each alien arrival, as, for example: Civil engineer, stationary engineer, locomotive engineer, mining engineer, brass polisher, steel polisher, iron molder, wood turner, etc., and not simply as engineer, polisher, molder, turner, or other indefinite designations.

A distinction should be made between *farmers* and *farm laborers*, regard being had to the amount of money shown, as follows:

A farmer is one who operates a farm, either for himself or others.

A farm laborer is one who works on a farm for the man who operates it.

Steamship companies should make this distinction on the manifests, and corrections should be made, if necessary, by inspectors and registry clerks during the personal examination of alien arrivals.

Column 7 (Able to read and write).—Column 7 is subdivided, and the entries therein should be either Yes—Yes (can read and write). No—No (can neither read nor write). or Yes—No (can read but not write).

Column 8 (Nationality).—Column 8 should be considered to mean the country of which immigrant is a citizen or subject and not country of last permanent residence.

Column 9 (Race or people).—The entry in column 9 should show the race or people as given in list on reverse side of alien manifest.

Special attention should be paid to the distinction between race and nationality, and manifests should be carefully revised by inspectors and registry clerks in this regard. For instance, "France" appearing in a manifest does not necessarily mean "French" by race or people, and similarly, "French" appearing on a manifest does not necessarily mean "France" by nationality. An alien who is Irish, German, or Hebrew by race might properly come under the heading of United Kingdom or any other country by nationality. In this connection the following distinctions should be specially observed:

CUBAN.

The term "Cuban" refers to the Cuban people (not Negroes).

WEST INDIAN.

"West Indian" refers to the people of the West Indies other than Cuban and Negroes).

SPANISH AMERICAN.

"Spanish-American" refers to the people of Central and South America of Spanish descent.

AFRICAN (BLACK).

"African (black)" refers to the African Negro, whether coming from Cuba or other islands of the West Indies, North or South America, Europe or Africa. Any alien whose appearance indicates an admixture of negro blood should be classified under this heading.

ITALIAN (NORTH).

The people who are native to the basin of the River Po in northern Italy (i. e., compartimenti of Piedmont, Lombardy, Venetia, and Emilia) and their descendants, whether residing in Italy, Switzerland, Austria-Hungary, or any other country, should be classed as "Italian (north)." Most of these people speak a Gallic dialect of the Italian language.

ITALIAN (SOUTH).

The people who are native to that portion of Italy south of the basin of the River Po (i. e., compartimenti of Liguria, Tuscany, Marches, Umbria, Latium, Abruzzi, Molise, Campania, Apulia, Basilicata, Calabria, Sicily, and Sardinia) and their descendants should be classed as "Italian (south)."

Column 10 (Last residence).—The entry in column 10 should show the country, and city or town of last permanent residence, instead of the province, city, or town.

Column 11 (Final destination).—The entry in column 11 should show definitely the place (city or town) of final destination.

Column 12 (Whether having a ticket to such final destination).—The entry in column 12 should be either Yes (ticket) or No (no ticket).

Column 13 (Whether amount paid by).—The entry in column 13 should show definitely by whom passage was paid as self, husband, father, brother, or other relative; friend; steamship company, etc.

Column 14 (Whether in possession of $50, and if less, how much).—The entry in column 14 should give in each case (individual or family) the exact amount of money shown.

Money brought by the head of a family should not be divided among the several members of the family.

Column 15 (Whether ever before in the United States, and if so, when and where).—The entries in column 15 should show whether or not (Yes or No) in the United States before; and if so, the year (or period of years) and place; as, 1903, Philadelphia.

Column 16 (Going to join relative or friend, and if so, what relative or friend).—The entry in column 16 should show whether going to join either a relative or friend, and if so, what relative or friend, with name and complete address.

Columns 17, 18, 19.—The answers in these columns are subject to revision by any supervising officer in the examination of immigrants.

SPECIAL INSTRUCTIONS FOR FILLING ALIEN MANIFESTS.

Information required on the manifest [Forms 500, 500 A, and 500 B], so far as it relates to alien arrivals (including those in transit and tourists), should be made in accordance with the following classification. The number of the columns on the manifest to which the instructions next to followed, in parentheses, in all cases up to and including column 10, by a descriptive title indicating briefly the subject to which it relates.

Column 4 (Age).—The return of age in column 4 should be expressed in years or months, applying only to those under 1 year of age.

Column 5 (Sex).—The entry in column 5 should be either M (male) or F (female).

Column 6 (Married or single).—The entry in column 6 should be either M (married), S (single), W (widowed), or D (divorced).

Column 7 (Calling or occupation).—The entry in column 7 should describe as accurately as possible the occupation, trade, or profession of each alien arrival, as for example: Accountant, stationary engineer, locomotive engineer, mining engineer, horse polisher, farmer, farm laborer, wood turner, etc., and not simply as engineer, polisher, worker, laborer, or other indefinite designations.

Distinction should be made between *farmers* and *farm laborers*, regardless of the nationality thereof, as follows:

Farmer is one who operates a farm, either for himself or others.

Farm laborer is one who works on a farm for the man who operates it.

Immigrant inspectors should make this distinction on the manifests, and corrections should be made, if necessary, by inspectors and registry clerks during the personal examination of alien arrivals.

Column 8 (Able to read and write).—Column 8 is subdivided and the entries therein will be Yes—Yes (can read and write), No—No (can neither read nor write), or Yes—No (can read but not write).

Column 9 (Nationality).—Column 9 should be construed to mean the country of which a citizen or subject.

Column 10 (Race or people).—The entry in column 9 should show the race or people to which an alien immigrant belongs.

Attention is directed to the reverse side of alien manifest.

Attention should be paid to the distinction between race and nationality, and the latter should be carefully revised by inspectors and registry clerks in this regard. For example, "French" appearing on a manifest does not necessarily mean "French" by race, "Finns" appearing on a manifest does not necessarily mean "Finns" by race, and similarly, "French" appearing on a manifest does not necessarily mean "French" by nationality. An alien who is Irish, German, or Hebrew by race may arrive under the heading of United Kingdom or any other country by which he is transported. In this connection the following distinctions should be specially observed:

CUBAN.

"Cuban" refers to the Cuban people (not Negroes).

SPANISH-AMERICAN.

"Spanish-American" refers to the people of Central and South America of Spanish descent.

AFRICAN (BLACK).

"African (black)" refers to the African Negro, whether coming from Cuba or other islands of the West Indies, North or South America, Europe, or Africa. Any alien whose appearance indicates an admixture of negro blood should be classified under this heading.

ITALIAN (NORTH).

The people who are native to the basin of the River Po in northern Italy (i. e., compartments of Piedmont, Lombardy, Venetia, and Emilia) and their descendants, whether residing in Italy, Switzerland, Austria-Hungary, or any other country, should be classed as "Italian (north)." Most of these people speak a Gallic dialect of the Italian language.

ITALIAN (SOUTH).

The people who are native to that portion of Italy south of the basin of the River Po (i. e., compartments of Liguria, Tuscany, Marches, Umbria, Latium, Abruzzo, Molise, Campania, Apulia, Basilicata, Calabria, Sicily, and Sardinia) and their descendants should be classed as "Italian (south)."

Column 10 (*Last residence*).—The entry in column 10 should show the country, and city or town of last permanent residence, instead of the province, city, or town.

Column 11 (*Final destination*).—The entry in column 11 should show definitely the place (city or town) of final destination.

Column 12 (*Whether having a ticket to such final destination*).—The entry in column 12 should be either Yes (ticket) or No (no ticket).

Column 13 (*By whom was passage paid*).—The entry in column 13 should show definitely by whom passage was paid, as self, husband, father, brother, or other relative; friend; steamship company, etc.

Column 14 (*Whether in possession of $50, and if less, how much*).—The entry in column 14 should give in each case (individual or family) the exact amount of money shown.

Money brought by the head of a family should not be divided among the several members of the family.

Column 15 (*Whether ever before in the United States, and if so, when and where*).—The entries in column 15 should show whether or not (Yes or No) to the United States before, and if so, the year (or period of years) and place; as: 1894 N. Philadelphia.

Column 16 (*Going to join relative or friend, and if so, what relative or friend*).—The entry in column 16 should show whether going to join either a relative or friend, and if so, what relative or friend, with name and complete address.

The answers to these columns are subject to revision by any

EXTRACT FROM DEPARTMENT OF COMMERCE AND LABOR CIRCULAR No. 43.

SPECIAL INSTRUCTIONS FOR FILLING ALIEN MANIFESTS

The information returned on the manifest (Forms 501, 502 A and 502 B), so far as it relates to alien arrivals (including those in transit and transfers), should be made in accordance with the following classification. The number of the column on the manifest is given in these special instructions and is followed in parentheses, in all cases up to and including column 16, by a descriptive title indicating briefly the subject to which it relates.

Column 3 (*Age*).—The return of age in column 3 should be expressed in years or months, the latter applying only to those under 1 year of age.

Column 4 (*Sex*).—The entry in column 4 should be either M (male) or F (female).

Column 5 (*Married or single*).—The entry in column 5 should be either M (married), S (single), Wd (widowed), or D (divorced).

Column 6 (*Calling or occupation*).—The entry in column 6 should describe as nearly as possible the occupation, trade or profession of each alien arrival, as for example: Civil engineer, stationary engineer, locomotive engineer, mining engineer, lawyer, painter, wheelwright, iron molder, wood turner, etc., and not simply as engineer, painter, molder, farmer, or other indefinite designation.

A distinction should be made between *farmers* and *farm laborers*, regardless of the amount of money shown, as follows:

A farmer is one who operates a farm, either for himself or others.

A farm laborer is one who works on a farm for the man who operates it.

Steamship companies should make this distinction on the manifests and corrections should be made, if necessary, by inspectors and registry clerks during the personal examination of alien arrivals.

Column 7 (*Able to read and write*).—Column 7 is subdivided and the entries therein should be either Yes—Yes can read and write; No—No can neither read nor write; or Yes—No (can read but not write).

Column 8 (*Nationality*).—Column 8 should be construed to mean the country of which immigrant is a citizen or subject.

Column 9 (*Race or people*).—The entry in column 9 should show the race or people as given in list on reverse side of alien manifest.

Special attention should be paid to the distinction between race and nationality, and manifests should be carefully revised by inspectors and registry clerks in this regard. For instance, "France" appearing on a manifest does not necessarily indicate French race or people, and similarly "French" appearing on a manifest does not necessarily indicate "France" by nationality. An alien who is Irish, Scotch, or Welsh race or people will properly come under the heading of United Kingdom or any other country to which he belongs. In this connection the following distinctions should be specially observed, namely:

CUBAN.

The term "Cuban" refers to the Cuban people—not Negroes.

WEST INDIAN.

"West Indian" refers to the people of the West Indies other than Cuba—not Negroes.

SPANISH-AMERICAN.

"Spanish-American" refers to the people of Central and South America of Spanish descent.

AFRICAN (BLACK).

"African (black)" refers to the African Negro, whether coming from Cuba or other islands of the West Indies, North or South America, Europe or Africa. Any alien whose appearance indicates an admixture of negro blood should be classified under this heading.

ITALIAN (NORTH).

The people who are native to the basin of the River Po in northern Italy (i. e., the provinces of Piedmont, Lombardy, Venetia and Emilia, and their descendants, whether residing in Italy, Switzerland, Austria-Hungary, or any other country, should be classed as "Italian (north)." Most of these people speak a Gallic dialect of the Italian language.

ITALIAN (SOUTH).

The people who are native to that portion of Italy south of the basin of the River Po (i. e., compartimenti of Liguria, Tuscany, Marches, Umbria, Latium, Abruzzi, Molise, Campania, Apulia, Basilicata, Calabria, Sicily, and Sardinia), and their descendants, should be classed as "Italian (south)."

Column 10 (*Last residence*).—The entry in column 10 should show the country, and city or town of last permanent residence (instead of the province, city or town).

Column 11 (*Final destination*).—The entry in column 11 should show definitely the place (city or town) of final destination.

Column 12 (*Whether having a ticket to such final destination*).—The entry in column 12 should be either Yes (ticket) or No (no ticket).

Column 13 (*By whom were passage paid*).—The entry in column 13 should show if the money by whom passage was paid as self, husband, father, brother, or other relative, friend, steamship company, etc.

Column 14 (*Whether in possession of $50, and if less how much*).—The entry in column 14 should give in each case (individual or family) the exact amount of money shown.

Money brought by the head of a family should not be divided among the several members of the family.

Column 15 (*Whether ever before in the United States, and if so, when and where*).—The entries in column 15 should show whether or not (Yes or No) in the United States, when, and, if so, the year or period of years and place—as, 1894, Philadelphia.

Column 16 (*Going to join relatives or friends, and if so, what relatives or friends*).—The entry in column 16 should show whether going to join either a relative or friend, and if so, what relative or friend, with name and complete address.

Columns 17 to 24.—The answers in these columns are subject to inquiry by any inspector or officer in the examination of immigrants.

INSTRUCTIONS FOR FILLING ALIEN MANIFESTS.

Column 1 (Age).—The return of age in column 1 should be expressed in years and months, the latter applying only to those under 1 year of age.

Column 2 (Sex).—The entry in column 2 should be either M male or F female.

Column 3 (Married or single).—The entry in column 3 should be either M married, S (single), W (widowed), or D divorced.

A distinction should be made between *farmers* and *farm laborers* regardless of the amount of money shown, as follows:

A farm laborer is one who works on a farm for the man who operates it.

Steamship companies should make this distinction on the manifests, and corrections should be made if necessary by inspectors and registry clerks during the personal examination of alien arrivals.

Aliens intending to pass through and not to the United States should be recorded under head of occupation as "in transit." Those intending to pass through to Canada and the United States but not intending to pass through in transit should be classed as "tourists" under head of occupation.

For instance: France appearing on a manifest here should be corrected to show the race or people and similarly French appearing as a nationality should be corrected to read "France" its nationality. An alien who is a native of France, Germany, or Russia might properly come under the heading of United Kingdom, according to the race or nationality. In this connection the following instructions should be carefully observed:

The term Cuban refers to the people of the Island of Cuba.

West Indian refers to the people of the West Indies, other than Cuba.

Column 4. Calling or occupation. The entry in column 4 should describe as clearly as possible the occupation, trade, or profession of the alien, as for example: Civil engineer, stationary engineer, locomotive engineer, machinist, blacksmith, tinner, plumber, steam fitter, iron molder, wood turner, etc., and not simply a mechanic, engineer, molder, turner, or other indefinite designation.

A distinction should be made between laborers and farm laborers, regardless of amount of money shown, as follows:

A farmer is one who operates a farm, either his own or others.

A farm laborer is one who works on a farm for the farmer or operator.

Steamship companies should make this distinction on their manifests, and correction should be made, if necessary, by inspectors and reported forthwith to the port of alien arrival.

Aliens intending to pass through and not to remain in the United States should be entered under head of occupation as "in transit." Those intending to remain temporarily in the United States but not intending to pass through should be entered as "visitors" or "tourists," under head of occupation.

Column 5. Can he read and write. Column 5 should be either Yes or No. Yes, can read and write. No, No. Yes, No, can read but not write.

Column 6. Nationality. Column 6 should be filled to show the nationality of each alien who is immigrant, as a citizen or subject.

Column 7. Race or people. The entry in column 7 should show the race or people to which each alien manifested belongs.

Special attention should be paid to the destination entered in column 8, and manifests containing names returned by inspectors as illegible will be returned. For instance, [illegible] appearing on a manifest does not indicate whether the alien is of the race or people and nationality known as French, appertaining to the province of Alsace, Germany, by nationality. An alien who is born in Germany, but of French parents, might properly enter under the heading of United Kingdom as to race or people, and as to nationality. In the following distinctions are made:

The term German [illegible]

"West Indian" refers to [illegible] West Indies other than Cuba.

"Spanish American" refers to [illegible] Central and South America.

INSTRUCTIONS FOR FILLING ALIEN MANIFESTS.

Column 1. Age. The figures of age in column 1 should be expressed in years or months, the latter applying only to those under 1 year of age.

Column 2. Sex. The entry in column 2 should be either M. male, or F. female.

Column 3. Married or single. The entry in column 3 should be either M. married, S. single, Wd. widowed, or D. divorced.

Column 4. Calling or occupation. The entry in column 4 should describe as accurately as possible the occupation, trade, or profession of each alien arrival as for example Civil engineer, stationary engineer, locomotive engineer, mining engineer, lense polisher, steel polisher, iron molder, wood turner etc., and not simply as engineer polisher molder turner, or other indefinite designations.

A distinction should be made between farmers and farm laborers regardless of the amount of money shown as follows:

A farmer is one who operates a farm, either for himself or others.

A farm laborer is one who works on a farm for the man who operates it.

Steamship companies should make this distinction on the manifests, and corrections should be made if necessary by inspectors and registry clerks during the personal examination of alien arrivals.

Aliens intending to pass through and out of the United States should be recorded under head of occupation as "in transit." Those coming only for a temporary sojourn in the United States, but not intending to pass through in transit should be classed as "tourists" under head of occupation.

Column 5. Able to read and write. Column 5 should be carefully filled and the entries therein should be either Yes. Yes can read and write. Y. N. can neither read nor write. Or Yes. No can read but not write.

Column 6. Nationality. Column 6 should be inserted to mean the country in which immigrant is a citizen or subject.

Column 7. Race or people. The entry in column 7 should show the race or people as given in list on reverse side of alien manifest.

Special attention should be paid to the distinction between race and nationality and manifests should be carefully revised by inspectors and registry clerks with regard to this. For instance: France appearing on a manifest does not necessarily mean French in race or people and similarly French appearing on a manifest does not necessarily mean "France" in nationality. An alien who is loyal customary to the country of his birth, and who is entitled to the protection of the United States or any other country is of that nationality. In case of doubt as to the distinction should be specified in the manifest.

INSTRUCTIONS FOR FILLING ALIEN MANIFESTS.

Column 1 (Age). The return of age in column 1 should be supplied in years at nearest birthday, the latter applying only to those under 1 year of age.

Column 2 (Sex). The entry in column 2 should be either M male or F female.

Column 3 (Married or single). The entry in column 3 should be either M married or single, Wd widowed, or D divorced.

Column 4 (Calling or occupation). The entry in column 4 should describe, as clearly and as possible the occupation, trade, or profession of each alien, as laborer, engineer, civil engineer, stationary engineer, locomotive engineer, mining engineer, farmer, painter, wood painter, iron worker, wood turner, etc., and not simply as laborer, painter, worker, turner, or other indefinite designations.

A distinction should be made between *farmers* and *farm laborers*, regardless of the amount of money shown, as follows:

A farmer is one who operates a farm, either for himself or others.

A farm laborer is one who works on a farm for the man who operates it.

Steamship companies should make this distinction on the manifests, and corrections should be made, if necessary, by inspectors and registry clerks during the personal examination of alien arrivals.

Aliens intending to pass through and out of the United States should be recorded under head of occupation as "in transit," those coming only for a temporary sojourn in the United States, but not intending to pass through in transit, should be classed as "tourists," under head of occupation.

Columns 5 and 6 (Able to read and write). Columns 5 is entirely self-explanatory and the entries therein should be either Yes or No. Yes can read and write. No, No can neither read nor write. Yes, No can read but not write.

Column 7 (Nationality). Column 7 should be inserted to show the country of which immigrant is a citizen or subject.

Column 8 (Race or people). The entry in column 8 should show the race or people as given in list on reverse side of alien manifest.

Special attention should be paid to the distinction between race and nationality, and manifests should be carefully revised by inspectors and registry clerks in this regard. For instance, France, appearing on a manifest does not necessarily mean French by race or people, and similarly French, appearing on a manifest does not necessarily mean "France" by nationality. An alien who is Irish, German, or Hebrew by race might properly come under the heading of United Kingdom, and other country by nationality. In this connection the following distinctions should be observed:

[illegible]

The term "Cuban" refers to the native people, not Negroes.

[illegible]

"West Indian" refers to [illegible] West Indies other than Cuba and Negroes.

"Spanish American" refers [illegible] Central and South America [illegible]

[illegible]

African (black). The people known as the African Negro race, born in Africa, their descendants in other countries, including the British West Indies, North, South America, Europe, Africa, Asia, also all those who are of African descent, a trace of Negro blood should be sufficient to class them under this heading.

[illegible]

The people who are native to the valley portion of Italy south of the mouth of the River Po, irrespective of their race. The states of Maryland, Virginia, North Carolina, South Carolina, Georgia, Florida, Alabama, Mississippi, Louisiana, Texas, Arkansas, Missouri, California, Nevada, Oregon, and Washington Territory are classed as Pacific Coast.

Column 9 (Last permanent residence). The entry in column 9 should show the country and city, town, or last permanent residence. It is important for statistical purposes that steamship agents should obtain correct information in this regard. Where the immediate previous residence of aliens is foreign, it should be carefully distinguished from the country of which they are citizens or subjects.

Column 10 (Final destination). The entry in column 10 should show the State and city, town, or place of intended final destination.

[redacted]

Column 11 (Whether having a ticket to final destination). The entry in column 11 should be either Yes, ticket, or No, no ticket.

[illegible]

The entry in column 12 should show the name and address of the nearest relative or friend whom passage was paid by, or [illegible] father, mother, husband, wife, brother, sister, grandparent, etc.

[illegible]

Money brought to the head of a family or group is to be divided among the several members of the family.

[illegible]

Columns 14 to 17 (Height and complexion). The entry in column 14 should show the height in feet and inches, and the entry in column 15 should be either Dk dark, Md medium, or Lt light.

[illegible]

The people who are native to the Alpine portion of Italy, the Rhone Valley in France, and the northern portion of Switzerland, and who are characterized by the roundness of head, broad face, and medium stature. Many of these people speak English, and the French, German, Italian, Spanish, and Swiss languages.

[illegible]

The people who are native to the valley portion of Italy south of the mouth of the River Po, irrespective of their race. The states of Maryland, Virginia, North Carolina, South Carolina, Georgia, Florida, Alabama, Mississippi, Louisiana, Texas, Arkansas, Missouri, California, Nevada, Oregon, and Washington Territory are classed as Pacific Coast.

[illegible]

Column 18 (Marks of identification). The entry in column 18 should show any visible scars or other marks of identification.

[illegible]

Column 19 (Name and address of person to whom immigrant is going). The entry in column 19 should show the name and complete address of the person to whom the immigrant is going.

INSTRUCTIONS FOR FILLING ALIEN MANIFESTS.

Column 1. The return Page to commence with No. 1 and be continued consecutively throughout the month, the latter applying only to the entries under Column 1.

Column 2. The entry in column 2 should be either M male or F female.

Column 3. Married or single. The entry in this column should be either M married or S single. Widowed should be entered as M.

Column 4. Calling or occupation. The entry in column 4 should describe as accurately as possible the occupation, trade or profession of each alien at the time of sailing. Civil engineer, shoemaker, engineer (locomotive, stationary, marine), machinist, glass polisher, steel polisher, iron moulder, wood turner, etc., and not simply as engineer, polisher, moulder, turner, or other indefinite designations.

A distinction should be made between farmers and farm laborers, regardless of the amount of money they may have, as follows:

A farmer is one who operates a farm, either for himself or others.

A farm laborer is one who works on a farm for the man who operates it.

Shipowners' companies should make this distinction on the manifests, and corrections should be made if necessary by inspectors and registry clerks during the personal examinations of alien arrivals.

Aliens intending to pass through and out of the United States should be entered under head of no occupation as in transit. Those coming into the United States, but not intending to pass through it, should be classed as tourists, under head of no occupation.

Column 5. Can read and write. Column 5 is to be filled with the words "yes" or "no." Yes—can read and write. No—cannot read and write.

Column 6. Nationality. Column 6 should be filled in with the name of the country of which a person is a citizen or subject.

Column 7. Race or people. The entry in column 7 should show the race or people to which each alien belongs, as given in the list of races or peoples on the reverse side of the manifest.

Special attention is called to the duties imposed upon masters and owners of vessels by section 12 of the act, which requires them to report to inspectors and to permit access to their vessels for the purpose of inspection and examination. For instance: Failure, upon the arrival of a vessel from a foreign port, to report the presence on board of any alien stowaway, or any alien who is found to have come on board in violation of the provisions of the act, subjects the master to a penalty of $10 for each alien not reported. Any alien who is found to have come on board in violation of the provisions of the act, and who is not reported, as required by section 12, is to be treated as an unlawful entrant, and is to be deported at the expense of the vessel, unless the master, owner, agent, consignee, or charterer of the vessel shall, within two days after the vessel's arrival at a port of the United States, report the name of such alien to the Commissioner of Immigration at the port of arrival, and shall pay to the collector of customs a tax of $100 for each alien not reported, and shall also pay the cost of the maintenance of such alien while in custody. In case any such alien is ordered deported, the master, owner, agent, consignee, or charterer of the vessel on which he arrived shall pay the cost of his deportation, unless he shall have obtained a certificate from the Commissioner of Immigration at the port of arrival that he has complied with the law in respect to such alien.

INSTRUCTIONS FOR FILLING ALIEN MANIFESTS.

Columns 1 and 2. The return of ages in columns 1 and 2 should be expressed in years or months, the latter applying only to those under 1 year of age.

Column 3. Sex. The entry in column 3 should be either M male or F female.

Column 4. Married or single. The entry in column 4 should be either M married, S single, Wd widowed, or D divorced.

Column 5. Calling or occupation. The entry in column 5 should describe as nearly as possible the occupation, trade, or profession of each alien arrived, as for example: Civil engineer, stationary engineer, locomotive engineer, mining engineer, machinist, steel polisher, iron molder, wood turner, etc., and not simply engineer, polisher, molder, turner, or other indefinite designations.

A distinction should be made between farmers and farm laborers, regardless of the amount of money shown, as follows:

A farmer is one who operates a farm, either for himself or others.

A farm laborer is one who works on a farm for the man who operates it.

Steamship companies should make the distinction on the manifests, and corrections should be made if necessary, by inspectors and registry clerks during the personal examination of alien arrivals.

Aliens intending to pass through and out of the United States should be recorded under head of *in transit*. Those intending only for a temporary sojourn in the United States, but not intending to pass through in transit, should be classed as "tourists" under head of *occupation*.

Columns 6 and 7. Able to read and write. Columns 6 and 7 are considered and the entries therein should be either Yes. Yes can read and write. No. No. No other qualifications write. Yes. No can read but not write.

Column 8. Nationality. Column 8 should be construed to mean the country of which immigrant is a citizen or subject.

Column 9. Race or people. The entry in column 9 should show the race or people as given in list on reverse side of alien manifest.

Special attention should be paid to the distinction between race and nationality, and manifests should be carefully revised by inspectors and registry clerks in this regard. For instance, "Finnish" appearing on a manifest does not necessarily indicate race or people and similarly "French" appearing on a manifest does not necessarily mean "French" in nationality. An alien who is Irish or German or Hebrew race might properly come under the heading of United Kingdom or Germany or Russia in nationality. In like manner the following distinctions should be observed:

Cuban

The term Cuban [illegible] people and Negroes [illegible]

West Indian [illegible]

Spanish American [illegible] Central and South American [illegible]

African (black)

African is a race word. A native of Africa is an African Negro, but the fact that a native of Africa is a black, a Negro, a South American, a Hebrew, or a white man does not make him an African. An African should be classed as such, and not as a Negro, Hebrew, etc.

Jewish Races

The people who are known as Jews [illegible] Russia, Poland, Austria, Germany, Roumania, Turkey, Spain, Portugal, Africa, Asia, Great Britain, the United States, and other countries. Many of these people speak the language of the country in which they live, but among themselves they speak Yiddish, which is a mixture of German and Hebrew with words from other languages.

Hebrew

This people are not a race. What purports to be a Hebrew race is a mixture of the Russian, Polish, Hungarian, Spanish, Portuguese, Italian, Arabian, Syrian, Armenian, Moorish, Abyssinian, Egyptian, Canadian, South American, Mexican, Cuban, Porto Rican, Chinese, Japanese, and Hindoo. The Hebrew is a composite of all these races.

Column 10. Final destination. The entry in column 10 should show the city, town, or place of intended permanent residence. It is important that the full address should be given, as this information is used by the Bureau of Immigration for the purpose of ascertaining whether aliens admitted for a temporary purpose actually depart from the country when the time for which they were admitted has expired. Aliens should not be admitted to the United States for a mere stopover when destined to Canada, Mexico, Cuba, or other foreign country, but should be passed in transit through the United States to the port of departure for such foreign country.

[redacted]

Column 11. If alien has any ticket to such final destination. The entry in column 11 should be either Yes, Ticket, or No, no ticket.

Column 12. By whom passage was paid. The entry in column 12 should show whether the passage was paid by the alien himself, father, mother, husband, wife, brother, sister, grandparent, or other relative, friend, or employer, and the name and address of the person who paid the passage should be obtained. The object of this column is to show whether the alien is going to join relatives or friends, the head of a family should not be divided from the several members of the family.

Column 13. Whether in possession of $50 and whether going to join a relative or friend, and if so, what relative or friend, and his name and complete address. The entry in column 13 should show whether the alien has in his possession at least $50 in money, and if not, how much he has in his possession, and whether he has a ticket to his destination, and if not, how much money he has to purchase a ticket. The entry should also show whether the alien is going to join a relative or friend, and if so, what relative or friend, and his name and complete address.

Column 14. Whether ever before in the United States, and if so, when and where. The entry in column 14 should show whether the alien has ever been in the United States before, and if so, when and where he was in the United States, and how long he remained.

Column 15. Whether going to join a husband, father, or other relative in the United States, and if so, what relative, his name and complete address. SPECIAL INSTRUCTIONS FOR [illegible] MANIFESTS

The information required on the manifest forms [illegible] A and B, so far as it relates to alien arrivals including those in transit and in-bond, should be made in accordance with the following classification. The number of the column on the manifest to which it relates is given in these special instructions, and is followed in parentheses by all cases up to and including column 16, by a descriptive title indicating briefly the subject to which it relates.

Column 3 (Age).—The return of age to each alien should be expressed in years or months, the latter applying only to those under 1 year of age.

Column 4 (Sex).—The entry in column 4 should be either M (male) or F (female).

Column 5 (Married or single).—The entry in column 5 should be either M (married), S (single), Wd (widowed), or D (divorced).

Column 6 (Calling or occupation).—The entry in column 6 should describe as accurately as possible the occupation, trade, or profession of each alien arrival, as for example: Civil engineer, stationary engineer, locomotive engineer, mining engineer, cane planter, wood polisher, iron molder, wood turner, tailor, and not simply as laborer, engineer, molder, farmer, or other indefinite designations.

A distinction should be made between farmers and farm laborers regardless of the amount of money shown, as follows:

A farmer is one who owns a farm either for himself or others.

A farm laborer is one who works on a farm for the man who operates it.

Reasonable diligence should make this distinction in the manifest, and corrections should be made, if necessary, by inspectors and registry clerks during the personal examination of alien arrivals.

Column 7 (Able to read and write).—Column 7 is subdivided and the entries therein should be either Yes—Yes can read and write. No 1—No can neither read nor write. Yes—No can read but not write.

Column 8 (Nationality).—Column 8 should be reported to show the country of which [illegible] is a citizen or subject.

Column 9 (Race or people).—The entry in column 9 should show the race or people as given in list [illegible] other indicated.

Special attention is called to the distinction between race and nationality and peculiarities pleaded by [illegible] caused by improper and negligent entries in this regard. For instance, "France" appearing on a manifest does not necessarily mean "French" in race or people, and similarly, "French Canadian" is entered there not infrequently as "France" by nationality. All aliens who are "Irish Nationals" [illegible] might properly enter under the heading of United Kingdom [illegible] nationality. In this connection the foreign [illegible] should be specially observed.

The term "Cuban" refers to the citizens of [illegible]

WEST INDIAN

"West Indian" refers to the people of the West Indies other than Cuba [illegible]

SPECIAL INSTRUCTIONS FOR FILLING IN LISTS.

The information required on the manifest (Forms Nos. 500-A and 500-B, so far as it relates to alien arrivals, including those in transit and tourists, should be made in accordance with the following instructions. The name of the column of the manifest to which each instruction relates is given in the first instruction, and is followed in parentheses in all cases by the number and including column 16, by a descriptive title indicating briefly the subject to which it relates.

Column 3 (Age.)—The return of age in infants should be expressed in years or months, the latter applying only to those under 1 year of age.

Column 4 (Sex.)—The entry in column 4 should be either M male, or F female.

Column 5 (Married or single.)—The entry in this column should be either M (married), S (single), Wd (widowed), or D (divorced).

Column 6 (Calling or occupation.)—The entry in this column should show as near exactly as possible the occupation, trade, or profession of each alien, as for example: Clerk, farmer, stationary engineer, locomotive engineer, tailoress, dressmaker, glass polisher, metal polisher, iron molder, wood turner, etc., and not simply as laborer, laborer, molder, farmer, or other indefinite designations.

A distinction should be made between *farmer* and *farm laborer*, regardless of the amount of money shown, as follows:

A farmer is one who operates a farm, either for himself or others.

A farm laborer is one who works on a farm for the man who operates it.

Steamship companies should make this distinction on the manifests, and corrections should be made, if necessary, by inspectors and registry clerks during the performance of their duties.

Column 7 (Can read and write.)—Column 7 subdivided and the entries therein should be made thus: Yes—R, can read; Yes—W, can write; Yes—RW, can read and write; No—N, can neither read nor write; or Yes—NR, can read but not write.

Column 8 (Nationality.)—Column 8 should be construed to mean the country of which the immigrant is a citizen or subject.

Column 9 (Race or people.)—The entry in column 9 should show the race or people as given in list or manifest of aliens inspected.

Special attention is called to the distinction between race and nationality, and manifests should be carefully examined by inspectors and registry clerks in this regard. For instance, "France" appearing on a manifest does not necessarily mean "French" by race or people, and similarly "French" appearing on a manifest does not necessarily mean "France" by nationality. An alien who is Irish, German, or Polish by race or people, and who comes to the United States via France, should be recorded as to race or people and nationality as the heading of United Kingdom, German Empire, or Russian Empire, as the case may be, and not as "French" by race or people and "France" by nationality. In this connection the following should be observed in entering "race or people" and "nationality":

The term "Celtic" refers to the Irish, Scotch, Welsh, and Cornish.

"West Indian" refers to the people of the West Indies, such as Cuban and Negro.

Special caution should be observed in entering "race or people" and "nationality" of persons coming from the countries mentioned as follows:

EXTRACT FROM DEPARTMENT OF COMMERCE AND LABOR CIRCULAR No. 43

SPECIAL NOTE: THIS FOR [illegible]

The information required on the manifest [illegible] as far as it relates to alien arrivals (including those to transit and laborers) should be made in accordance with the following classification. The attention of the [illegible] on the manifest is given to these special instructions and is [illegible] in all cases provided for by a descriptive title indicating briefly the subject to which it relates.

Column 3, Age. The return of age in [illegible] should be expressed in years or months, the latter applying only to those under 1 year of age.

Column 4, Sex. The entry in column 4 should be either M (male) or F (female).

Column 5, Married or single. The entry in column 5 should be either M (married) or S (single). Widowed or divorced persons should be returned as single.

Column 6, Calling or occupation. The entry in column 6 should describe as nearly as possible the occupation, trade or profession of each alien arriving, as for example: Civil engineer, clothier, engineer, locomotive engineer, farmer, [illegible] physician, [illegible] school publisher, type molder, wood turner, etc., and not simply laborer, laborer, publisher, molder, turner, or other indefinite designations.

A distinction should be made between farmers and farm laborers, regardless of the amount of money they may have, as follows:

A farmer is one who owns or rents a farm, either for himself or others.

A farm laborer is one who works on a farm for the man who operates it.

Secondly, engineers should make this distinction in the manifests, and corrections should be made, if necessary, by inspectors and registry clerks during the passenger examination of aliens on the dock.

Columns 7 and 8. Can read and write. Columns 7 and 8 are to be used and the entries therein should be either Yes or No. Yes, if can read and write. No, if can neither read nor write. Yes, if can read but not write.

Column 9, Nationality. The entry in column 9 should be construed to mean the country of which an alien is a citizen or subject.

Column 10, Race or people. The entry in column 10 should show the race or people as given to but not [illegible] to the alien immigrant.

Special attention should be paid to the distinction between race and nationality, and manifests should in [illegible] be returned by inspectors and registry clerks in this regard. For instance, a native of France, age thirty, on a manifest does not necessarily mean a Frenchman by race or people, and similarly, a Frenchman, apparently of a mixed race, does not necessarily mean a native of France, by nationality. An alien who is both a German and a native of France, by birth, might properly come under the heading of United Kingdom, Italy, [illegible] nationality. In this connection the following [illegible] should be observed:

The term "Celtic" refers to the [illegible]

Anglo-Saxon

West Indian refers to the people of the West Indies [illegible]

Spanish refers to the people of Spain, Spanish America or Spanish descent.

African (black) refers to [illegible] coming from Cuba or other islands of the West Indies, South America, Africa, or [illegible] whose appearance indicates an admixture of negro blood, [illegible] classed under this head.

Chinese

The people of [illegible] the valley of the River Po in northern Italy [illegible] the Italians north [illegible] the south speak a Gallic dialect of the Italian [illegible]

The people who are native to that portion of Italy south of the basin of the River Po [illegible] Tuscany, Marches, Umbria, Latium, Abruzzi, Molise, [illegible] Apulia, Lucania, Calabria and Sicily, and their descendants [illegible] Italians south [illegible]

SPECIAL INSTRUCTIONS FOR FILLING OUT MANIFESTS

The information returned on the manifest (Forms No. 2[illegible]A, and 2[illegible]B) so far as it relates to alien arrivals (including those in transit and deserters) should be made in accordance with the following classifications. The number of the columns on the manifest is given in these special instructions and is followed in all cases up to and including column 16, by a descriptive title indicating briefly the subject to which it relates.

Column 3 (Age). The return of age in column 3 should be expressed in years or months, the latter applying only to those under 1 year of age.

Column 4 (Sex). The entry in column 4 should be either M (male) or F (female).

Column 5 (Married or single). The entry in column 5 should be either M (married), S (single), W (widowed), or D (divorced).

Column 6 (Calling or occupation). The entry in column 6 should describe as nearly correctly as possible the occupation, trade, or profession of each alien arriving, as for example: "Civil engineer, stationary engineer, locomotive engineer, mining engineer, mine owner, skilled laborer, iron molder, wood turner, etc., and not simply as "engineer, laborer, molder, turner, or other indefinite designations.

A distinction should be made between farmers and farm laborers regardless of the amount of money shown, as follows:

A farmer is one who owns a farm, either for himself or others.

A farm laborer is one who works on a farm for the man who operates it.

Steamship companies should make this distinction on the manifests, and correction should be made by agents, or inspectors and registry clerks during the personal examination of each alien.

Columns 7 (Nationality) and 8 (Race or people). Columns 7 (nationality) and 8 (race or people) should be carefully filled and with care. Nor [illegible] can neither [illegible] write "do." Blank spaces are not even [illegible]

Column 9 (Last residence). Column 9 should be considered to mean the country of which immigrant is a citizen or subject.

Column 10 (Race or people). The entry in column 10 should show the race or people as given in list 8.

Special attention is [illegible] to the distinction between race and nationality and manifests should be carefully examined by inspectors and registry clerks in this respect. For instance, "French" [illegible] on a manifest does not necessarily mean "French" race or people and similarly "English" appearing on a manifest does not necessarily mean "English" nationality. An alien who is from Germany or Russia, but of Polish descent, might properly come under the heading of [illegible] nationality. In this connection he following [illegible] should be observed.

African (black) refers to [illegible] natives of Africa, coming from Cuba or other islands of the West Indies. North American Indian refers to [illegible] Indians of North America. Hebrew as an [illegible] indicates no [illegible] should be mentioned under this head.

Italian (north). The people who are natives of the basin of the River Po in northern Italy, comprising the provinces of Piedmont, Liguria, Lombardy, Venetia, Emilia, and Romagna, and the territory [illegible] residing in Italy, nationalities [illegible] country should be entered as Italian north. Most of these people speak a Gallic dialect of the Italian language.

Italian (south). The people who are natives of that portion of Italy south of the basin of the River Po, comprising the provinces of Tuscany, Umbria, Marches, Abruzzi, Molise, Campania, Apulia, Basilicata, Calabria, Sicily and Sardinia, and their descendants, should be entered as Italian south.

Spanish. The people who are natives of Spain, Spanish America, Mexico, Cuba, Porto Rico, Central or South America, and their descendants should be entered as Spanish.

West Indian. "West Indian" refers to the people of the West Indies, including Cuba and Porto Rico.

EXTRACT FROM DEPARTMENT OF COMMERCE AND LABOR CIRCULAR No. 43.

SPECIAL INSTRUCTIONS FOR FILLING ALIEN MANIFESTS.

The information required on the manifest (Forms 1200, 1203 A, and 1203 B (new numbers 2000, 2001, and 2002)), so far as it relates to alien arrivals (including those in transit and transiting), should be made in accordance with the following considerations. The number of the column on the manifest is given in these special instructions and is followed, in parentheses, in all cases up to and including column 16, by a descriptive title indicating briefly the subject to which it relates.

(Column 3 (Age).—The entries of age in column 3 should be expressed in years or months, the latter applying only to those under 1 year of age.

(Column 4 (Sex).—The entry in column 4 should be either M (male) or F (female).

(Column 5 (Married or single).—The entry in column 5 should be either M (married), S (single), Wd (widowed), or D (divorced).

(Column 6 (Calling or occupation).—The entry in column 6 should describe as accurately as possible the occupation, trade, or profession of each alien arrival, as for example: Civil engineer, stationary engineer, locomotive engineer, mining engineer, brass polisher, steel polisher, iron moulder, wood turner, etc., and not simply as engineer, polisher, moulder, turner, or other indefinite designations.

A distinction should be made between *farmers* and *farm laborers*, regardless of the amount of money shown, as follows:

A *farmer* is one who operates a farm, either for himself or others.

A *farm laborer* is one who works on a farm for the man who operates it.

Steamship companies should make this distinction on the manifests, and corrections should be made, if necessary, by inspectors and registry clerks during the personal examination of alien arrivals.

(Column 7 (Able to read and write).—Column 7 is subdivided and the entries thereon should be either Yes—Yes (can read and write), No—No (can neither read nor write), or Yes—No (can read but not write).

(Column 8 (Nationality).—Column 8 should be construed to mean the country of which immigrant is a citizen or subject and not country of last permanent residence.

(Column 9 (Race or people).—The entry in column 9 should show the race or people as given in the seventeen rule of alien manifest.

Special attention should be paid to the distinctions between race and nationality, and manifests should be carefully revised by inspectors and registry clerks in this regard. For instance, "Finn" appearing on a manifest does not necessarily mean "French" in race or people, and similarly "French" appearing on a manifest does not necessarily mean "Finnish" by nationality. So alien who is Irish, German, or Hebrew by race might properly come under the heading of United Kingdom or any other country by nationality. In this connection the following instructions should be specially observed:

CUBAN.

The term "Cuban" refers to the Cuban people and Negroes.

WEST INDIAN.

"West Indian" refers to the people of the West Indies other than Cuban.

SPANISH AMERICAN.

"Spanish American" refers to the people of Central and South America of Spanish descent.

AFRICAN (BLACK).

"African (black)" refers to the African Negro, whether coming from Cuba or other islands of the West Indies, South or South American, Europe, or Africa. Any alien whose appearance indicates an admixture of negro blood should be classified under this heading.

ITALIAN (NORTH).

The people who are native to the basin of the River Po in northern Italy (i.e., compartments of Piedmont, Lombardy, Venetia, and Emilia) and their descendants, whether residing in Italy, Switzerland, Austria-Hungary, or any other country, should be classed as "Italian (north)." Most of these people speak a Gallic dialect of the Italian language.

ITALIAN (SOUTH).

The people who are native to that portion of Italy south of the basin of the River Po (i.e., compartments of Liguria, Tuscany, Marches, Umbria, Latium, Abruzzi, Molise, Campania, Apulia, Basilicata, Calabria, Sicily, and Sardinia) and their descendants should be classed as "Italian (south)."

(Column 10 (*Last residence*). The entry in column 10 should show the country, and city or town of last (permanent residence, instead of the province, city, or town.

(Column 11 (*Final destination*). The entry in column 11 should show definitely the place (city or town) of final destination.

(Column 12 (Whether having a ticket to *such final destination*). The entry in column 12 should be either Yes (ticket) or No (no ticket).

(Column 13 (By whom was passage paid). The entry in column 13 should show definitely by whom passage was paid, as self, husband, father, brother, or other relative (name), steamship company, etc.

(Column 14 (Whether in possession of $50, and if less, how much). The entry in column 14 should give to each race (individual or family) the exact amount of money shown.

Money brought by the head of a family should not be divided among the several members of the family.

(Column 15 (Whether ever before in the *United States*, and if so, when and where). The entries in column 15 should show whether or not (Yes or No) to the United States before, and if so, the year (or period of years) and place, as, 1901-07, Philadelphia.

(Column 16 (Going to own relative or *friend*, and if so, what one, and his name and address). The entry in column 16 should show such

1st Cabin.

EXTRACT FROM DEPARTMENT OF COMMERCE AND LABOR CIRCULAR No. 43.

SPECIAL INSTRUCTIONS FOR FILLING ALIEN MANIFESTS.

The information required on the manifest [Forms 1300, 1300 A, and 1301 B (new numbers 103, 103A, and 103B)], so far as it relates to alien arrivals (including those in transit and transfer), should be made in accordance with the following classification. The number of the column on the manifest is given in these special instructions and is followed, in parentheses, in all cases up to and including column 10, by a descriptive title indicating briefly the subject to which it relates.

Column 3 (Age).—The returns of age in column 3 should be expressed in years or months, the latter applying only to those under 1 year of age.

Column 4 (Sex).—The entry in column 4 should be either M (male) or F (female).

Column 5 (Married or single).—The entry in column 5 should be either M (married) S (single), Wd (widowed), or D (divorced).

Column 6 (Calling or occupation).—The entry in column 6 should describe as exactly as possible the occupation, trade, or profession of each alien arrival, as for example: Civil engineer, stationary engineer, locomotive engineer, mining engineer, brass polisher, steel polisher, iron moulder, wood turner, etc., and not simply as engineer, polisher, moulder, turner, or other indefinite designations.

A distinction should be made between *farmers* and *farm labourers*, regardless of the amount of money shown, as follows:

A *farmer* is one who operates a farm, either for himself or others.

A *farm labourer* is one who works on a farm for the man who operates it.

Steamship companies should make this distinction on the manifests and corrections should be made, if necessary, by inspectors and registry clerks during the personal examination of alien arrivals.

Column 7 (Able to read and write). Column 7 is subdivided and the entries therein should be either Yes—Yes (can read and write) No—No (can neither read nor write) or Yes—No (can read but not write).

Column 8 (Nationality). Column 8 should be construed to mean the country of which immigrant is a citizen or subject and not country of last permanent residence.

Column 9 (Race or people). The entry in column 9 should show the race or people as given in list on reverse side of alien manifest.

Special attention should be paid to the distinction between race and nationality and manifests should be carefully revised by inspectors and registry clerks in this regard. For instance, "France" appearing on a manifest does not necessarily mean "French" by race or people, and, similarly, "French" appearing on a manifest does not necessarily mean "France" by nationality. An alien who is Irish, German, or Hebrew by race might properly come under the heading of United Kingdom or any other country by nationality. In this connection the following instructions should be specially observed:

CUBAN

The term "Cuban" refers to the Cuban people and Negroes.

WEST INDIAN

"West Indian" refers to the people of the West Indies other than Cuban and Negro.

SPANISH AMERICAN

"Spanish American" refers to the people of Central and South America of Spanish descent.

AFRICAN (BLACK).

"African (black)" refers to the African Negro, whether coming from Cuba or other islands of the West Indies, North or South America, Europe or Africa. Any alien whose appearance indicates an admixture of negro blood should be classified under this heading.

ITALIAN (NORTH).

The people who are native to the basin of the River Po in northern Italy, comprising the departments of Piedmont, Lombardy, Venetia, and Emilia, and their descendants, whether residing in Italy, Switzerland, Austria-Hungary, or any other country, should be classed as "Italian (north)." Most of these people speak a Gallic dialect of the Italian language.

ITALIAN (SOUTH).

The people who are native to that portion of Italy south of the basin of the River Po, comprising the departments of Liguria, Tuscany, Marches, Umbria, Latium, Abruzzi, Molise, Campania, Apulia, Basilicata, Calabria, Sicily, and Sardinia, and their descendants, should be classed as "Italian (south)."

Column 10 (Last residence). The entry in column 10 should show the country and city or town of last permanent residence, instead of the previous city or town.

Column 11 (Final destination). The entry in column 11 should show definitely the place (city or town) of final destination.

Column 12 (Whether having a ticket to such final destination). The entry in column 12 should be either Yes (ticket) or No (no ticket).

Column 13 (By whom was passage paid). The entry in column 13 should show definitely by whom passage was paid as will husband, father, brother, or other relative, friend, steamship company, etc.

Column 14 (Whether in possession of $50, and if less how much). The entry in column 14 should give in each case (individual or family) the exact amount shown.

Where no sight is had of money, column should not be checked or entry made by members of the family.

Column 15 (Whether ever before in the United States, and if so, when). The entries in column 15 should show whether or not Yes or No as to previous visits to the United States—and if so, the year or period of entry and place—as 1904 N.Y.

Column 16 (Coming to join relative or friend, and if so, what relative). The entry in column 16 should show whether going to join either a relative or friend, with name and complete address.

Columns 17 to 22.—The answers in these columns are subject to inspection officers in the examination of immigrants.

Column 8 (Nationality).—Column 8 should be construed to mean the country of which foreigners in a citizen or subject.

Column 9 (Race or people).—The entry in column 9 should show the race or people as given in list on reverse side of alien manifest.

Special attention should be paid to the distinction between race and nationality, and manifests should be carefully revised by inspectors and registry clerks in this regard. For instance, "France" appearing on a manifest does not necessarily mean "French" by race or people, and similarly, "French" appearing on a manifest does not necessarily mean "France" by nationality. An alien who is Irish, German, or Hebrew by race might properly come under the heading of United Kingdom or any other country by nationality. In this connection the following distinctions should be carefully observed:

CUBAN.

The term "Cuban" refers to the Cuban people. (not Negroes).

WEST INDIAN.

"West Indian" refers to the people of the West Indies other than Cuba (not Negroes).

SPANISH-AMERICAN.

"Spanish-American" refers to the people of Central and South America of Spanish descent.

AFRICAN (BLACK).

"African (black)" refers to the African Negro, whether coming from Cuba or other islands of the West Indies, North or South America, Europe, or Africa. Any alien whose appearance indicates an admixture of negro blood should be classified under this heading.

ITALIAN (NORTH).

The people who are native to the basin of the River Po in northern Italy (i. e., compartments of Piedmont, Lombardy, Venetia, and Emilia) and their descendants, whether residing in Italy, Switzerland, Austria-Hungary, or any other country, should be classed as "Italian (north)." Most of these people speak a Gallic dialect of the Italian language.

ITALIAN (SOUTH).

The people who are native to that portion of Italy south of the basin of the River Po (i. e., compartments of Liguria, Tuscany, Marches, Umbria, Latium, Abruzzes, Molise, Campania, Apulia, Basilicata, Calabria, Sicily, and Sardinia) and their descendants should be classed as "Italian (south)."

Column 10 (Last residence).—The entry in column 10 should show the country, and city or town of last permanent residence, instead of the province, city, or town.

Column 11 (Final destination).—The entry in column 11 should show definitely the place (city or town) of final destination.

Column 12 (Whether having a ticket to such final destination).—The entry in column 12 should be either Yes (ticket) or No (no ticket).

Column 13 (By whom was passage paid).—The entry in column 13 should show definitely by whom passage was paid, as self, husband, father, brother, or other relative; friend; steamship company, etc.

Column 14 (Whether in possession of $30, and if less, how much).—The entry in column 14 should give in each case (individual or family) the exact amount of money shown.

Money brought by the head of a family should not be divided among the several members of the family.

Column 15 (Whether ever before in the United States; and if so, when and where).—The entries in column 15 should show whether or not (Yes or No) in the United States before; and if so, the year (or period of years) and place: as, 1894-97, Philadelphia.

Column 16 (Going to join relative or friend; and if so, what relative or friend).—The entry in column 16 should show whether going to join either a relative or friend; and if so, what relative or friend, with name and complete address.

Column 17 to 35.—The answers in these columns are subject to revision by any inspection officer in the examination of immigrants.
